MESSAGE

It is indeed a pleasure for me to write a few words in your souvenir magazine in conjunction with the 28th Installation of the Rotary Club of Kuching Central. I wish to congratulate the in-coming President, Rotarian Patrick Luk Tien Wei and his Board of Directors for being elected to helm the Rotary Club of Kuching Central for the period 2013-2014. I am sure that the new team will continue to propel the Club to greater heights.

I also wish to take this opportunity to congratulate the out-going President, Rotarian Dr. Willie Lau for his leadership qualities and excellent planning in leading the Rotary Club of Kuching Central to achieve three major awards, namely Family of Rotary - Gold Award; Service Project International - Gold Award and Public Relation - Gold Award and also an award in the Presidential Citation 2012-2013. I hope that Dr. Willie will continue to play an active and advisory role as an immediate past President.

As a Rotarian myself, I am very proud of your impressive achievements. I hope that all Rotarians will continue to play an active and positive role in completing the government's initiative to assist the less fortunate members of our society so that they have access to the many programmes drawn up to improve their standard of living.

Lastly, I wish all Rotarians every success in your future undertakings.

ROTARY INTERNATIONAL

Dear District 3310 club officers,

Congratulations on your installation as 2013-14 Club Officers. I am confident you will have a busy and rewarding year.

At every stage in our lives, Rotary has something for each of us. From the moment we became Rotarians, the world of Rotary service was open to us—and it became our obligation to choose how best to serve.

In this Rotary year, you have taken on the commitment of holding a Rotary office. You have decided to take the next step in your Rotary service, and accepted the privilege and the responsibility that come with that decision. How successful your year in office will be, will depend on you: on your planning, your enthusiasm, your dedication, and your hard work. In Rotary, as in so much else in life, the more you invest, the better your return.

It is an incredibly exciting year to be a Rotarian, and to be a Rotary officer. The challenge for Rotary leaders, at every level, is to help every Rotarian realize the potential that lies before us: as we finish the job of polio eradication, and move forward in a new era for our Rotary Foundation.

The more Rotarians are engaged in Rotary service, the more we all realize what we can achieve through Rotary—and our potential knows no limits. I wish you a wonderful year of successful service as we work together to Engage Rotary, Change Lives.

Sincerely,

Ron D. Burton

CHEW GHIM BOK
District Governor, 2013-2014
Rotary International District 3310

Dear Incoming President.....

Each year at about this time, Rotary Clubs all around the world mark the changing of guards.

The outgoing officers give way to the incoming ones.

The Rotary year officially begins on July 1st with new aspirations and new dreams.

I would like to congratulate your outgoing team for a successful year. No doubt they have done well.

My best wishes are also extended to you as the Incoming President and your Board Members for the new Rotary year.

Rotary International President Ron Burton's theme for this Rotary year is "Engage Rotary, Change Lives"

He wants us to make sure that every single Rotarian has the same feeling about Rotary. Each Rotarian should have a meaningful role to play. All members should be engaged in Rotary, inspired by Rotary and use the power of Rotary to change lives.

Ensure that every one of your members has a meaningful role to play in your club, a role that actually makes a difference to their own life, life of the club and the community. When they do something meaningful in Rotary, Rotary becomes meaningful to them.

During the President Elects Training Seminar and District Assembly that was held in Johor Bahru in March, I asked the questions;

"What kind of legacy would you want to leave behind"?

"What would you like to be remembered for"?

Most people have only one chance in a life-time to be President of a Rotary Club. I urge you to make the best of it. Let your year as the leader of your club, be a meaningful one as you bring your club to the next level.

I wish you every success as we Engage Rotary, Change Lives.

Chew Ghim Bok
District Governor 2013-14
Rotary District 3310

PATRICK LUK

Incoming President, 2013-2014

Rotary International District 3310

The Rotary Club of Kuching Central is an active service club that has carried out a number of significant projects over the years that benefited the local communities. Some of the projects included the provision of free cataract operations, health screening, literacy projects, (relating to the donation of books and bicycles to rural schools), provision of clean water and other

humanitarian projects. It is indeed an honour and privilege to be elected as the 28th President of the Club. I accept this position with humility and pledge to serve my Rotary Year to the best of my ability.

Rotary International President Ron Burton has selected a simple but most meaningful theme for this Rotary Year - "Engage Rotary, Change Lives". This theme eloquently captures the essence of Rotary Service. He wants to make sure every single Rotarian has a meaningful role to play and encourages us to be engaged in Rotary, to be inspired by Rotary and to use the power of Rotary to change lives.

To me, Rotary is a love story in which people come together in fellowship, and which results in doing good in the world. During my years in Rotary, I have witnessed over and over again how communities and individuals benefit because of Rotary activities. These activities, to a great extent, result from exchanges about community needs identified during our Club meetings.

My fellow Rotarians, let us work together and with our communities to actively seek out opportunities in which we Engage Rotary, and Change Lives.

To my guest, friends and supporters of Rotary, thanks very much for your support and kind attendance, and may I wish each and everyone a successful and healthy year ahead.

Patrick Luk
President 2013-2014

DR. WILLIE LAU LIK WEI
Outgoing President, 2012-2013
Rotary Club of Kuching Central

Dear Rotarians, Spouses and Friends,

In Rotary, we have always worked to bring Health, Safety and Dignity to our community. Through our commitment to the ideals of Rotary and It's Avenues of Service, we also bring Peace through our Service to our world and community.

Edith and I are very grateful for your trust and this opportunity to contribute during our Rotary year. Our thanks and gratitude goes out to all dedicated Rotarians and Spouses for their invaluable support and guidance. We would also like to thank all Rotarian families and friends of Rotary for their continual trust in and support of Rotary.

The biggest project in the history of our club, Rotary Club of Kuching Central, is our charity music concert: 'The Sound of Music' held at the Borneo Convention Centre Kuching this rotary year. Working together with a multitude of talents and very generous corporate sponsors and individuals, we have managed to raise One Million Ringgit Malaysia for the refurbishment of the Rotary Dahlia house / Anjung Kasih and another at the General Hospital Heart Centre at Kota Samarahan.

Dahlia House was an underutilized building on the Sarawak General Hospital's grounds. It is now being converted to provide accommodation for caregivers and loved ones of patients, especially those from the rural areas of Sarawak, who cannot afford accommodation and mostly ended up staying inside the wards with their family, sleeping in hallways, bathing in the washrooms and in some extreme cases, sharing the patient's food.

The South Norfolk Youth Symphonic Band, our first Malaysian World Champion violinist Nisa Addina Taufik, Sainsku winds, Sarawak Heart Foundation, the National Welfare Council Malaysia, who decided to partner with Rotary, Plaza Merdeka Holdings, 360 Hotel Group, Instacom, Shin Yang, Neudimenxion and our other sponsors on this project, all deserve our special mention and thanks here.

For this Rotary year 2012-2013, Rotary Club of Kuching Central has been awarded the Rotary International President Citation, District 3310 Gold Award for the Best Family of Rotary, District 3310 Gold Award for Public Relations, District 3310 Gold Award for Best International Project, and our member Clarence Yong was awarded the District 3310 Best New Rotarian. A very big thank you to our District Governor Lee Kong Hwee, our Assistant Governor PP Kho Ping and our Board of Directors for Rotary Year 2012-2013.

Our best wishes and support to our incoming President, Mr Patrick Luk and his board of directors for Rotary Year 2013-2014.

Yours faithfully in Rotary,

Dr Willie Lau
President, Rotary Year 2012-2013

Introduction to Rotary International

2012-13 Theme - 'Engage Rotary, Change Lives'

Rotary International formed in 1905 is an organization of service clubs known as Rotary Clubs located all over the world. It is a secular organization open to all persons regardless of race, religion, colour, creed, gender or political preference.

The purpose of the organization is to bring together business and professional leaders to provide humanitarian service, encourage high ethical standards in all vocations, and help to build goodwill and peace in the world. Members usually meet weekly, which is a social event as well as an opportunity to organize work on their service goals.

GUIDING PRINCIPLES

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the Avenues of Service, which form the foundation of club activity.

- **Club Service** focuses on strengthening fellowship and ensuring the effective functioning of the club.
- **Vocational Service** encourages Rotarians to serve others through their vocations and to practice high ethical standards. Observed each October, Vocational Service Month spotlights Rotary club projects related to this avenue, offering opportunity for clubs and districts to use their professional skills in service projects.
- **Community Service** covers the projects and activities the club undertakes to improve life in its community.
- **International Service** encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace. Rotarians can support International Service by sponsoring a project in another country, seeking international project partners to support projects in their own communities, or by personally volunteering at an international project site. Visit the ProjectLINK database to post a project in need of assistance, find projects to support, or learn about successfully completed projects to replicate.
- **New Generations Service** recognizes the positive change implemented by youth and young adults through leadership development activities such as RYLA, Rotaract and Interact, service projects, and creating international understanding with Rotary Youth Exchange.

The Four-Way Test

The test, which has been translated into more than 100 languages, asks the following questions: Of the things we think, say or do

- Is it the TRUTH?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Is it FAIR to all concerned?
- Will it be BENEFICIAL to all concerned?

Core Essence

A worldwide network of inspired individuals who translate their passions into relevant social causes to change lives in communities.

Mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Vision

The vision of Rotary International is to be the service organization of choice with dynamic, action-oriented clubs whose contributions improve lives in communities worldwide.

RI Strategic Plan

- Support and strengthen clubs
- Focus and increase humanitarian service
- Enhance public image and awareness

Core Values

Rotary International's core values are service, fellowship, diversity, integrity, and leadership.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community with regard to professional and business classification, gender, age, religion, and ethnicity is a club with the key to its future.

STATUS REPORT: 99% POLIO-FREE

The greatest example of Rotary's effective collaborations is its flagship programme, Polio Plus, which aims to eradicate polio worldwide. Working with spearheading partners UNICEF, the US Centers of Disease Control & Prevention, and WHO, Rotary has contributed over US\$600 million and countless volunteer hours to help immunize more than two billion children against the crippling and often fatal disease.

Bills & Melinda Gates Foundation has awarded Rotary USD355 million to support its effort to eradicate polio. In response, Rotary has committed to raise USD200 million by 30th June 2012. This target has been met.

FAMILY OF ROTARY

At a Glance

The family of Rotary extends beyond individual Rotarians and Rotary clubs to include other service-minded people who help with the organization's work. Groups such as Rotaract, Interact, and Rotary Community Corps serve side by side with sponsor clubs, using their diverse skills to improve the quality of life in their communities. Below are some of the latest statistics available, as of 31 October 2011.

(*as of 4 October 2011)

Rotary

- Members: 1,214,714
- Clubs: 34,216
- Districts: 538

Rotaract

- Members: 204,102*
- Clubs: 8,874*

Interact

Rotary & United Nations

Rotary and United Nations have a long history of working together and sharing similar visions for a more peaceful world.

In 1942, clubs from 21 nations organized a conference in London to develop a vision for advancing education, science and culture after World War II. That event was a precursor to UNESCO. In 1945, 49 Rotarians went to San Francisco to help draft the UN Charter. Rotary and UN have been close partners ever since, a relationship that's apparent through Polio Plus and work with UN agencies.

Through the work of the Global Polio Eradication Initiative more than 5 million people, who would have been otherwise paralyzed, are walking because they have been immunized against polio, and more than 500,000 cases of polio are prevented each year due to the efforts of governments and the GPEI partnership. Transmission of the poliovirus has been stopped in all but four countries - Afghanistan, India, Nigeria and Pakistan - and the virus is being contained within increasingly smaller geographical areas within those countries.

Polio cases have declined rapidly since 1985, but the fight isn't over. Polio is a crippling and potentially fatal infectious disease, and for as little as US\$0.60, a child can be protected against the virus for life. If we don't finish the fight right now, more than 10 million children under the age of five could be paralyzed by polio in the next 40 years.
