Message

Greetings to my fellow Rotarians & dear Guests attending the 29th Rotary Club of Kuching Central Installation dinner. Our warmest welcome and sincere thanks for your presence. I am very pleased to note that we have more than 80 District 3310 Officers and Rotarians from 21 clubs together with some of their spouses that travelled from outside of Kuching to be with us. The presence of the ever supportive members from the other three Kuching Rotary Clubs and our Rotaractors and Interactors is also much appreciated. I would also like to recognize the continuing great rapport we have always received from our sister clubs, namely RC Queenstown, RC Taipei Golden Eagle and RC Bandar Seri Begawan.

Club installations are well established affairs which introduces the slate of incoming officers that will run the Rotary Club for the next 12 months. It is a time honored tradition and provides an avenue for fellowship for Rotarians far & near. Regardless of locations, we will find that Rotarians all over the world have almost the same DNA make up. All will welcome their out of town fellow Rotarians with open arms. To our visiting Rotarians, please take advantage of our famous Kuching hospitality and explore our quaint little city through the eyes of a local during your stay here. To our local Rotarians, an opportunity to share with our guests and appreciate the lifestyle we are enjoying here.

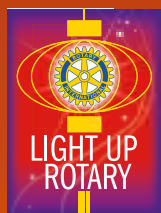

RC Kuching Central has been blessed with a vibrant Club whose members are ever willing to assist each other in the Club's endeavors. It has been a breeze to organize Club events and this Installation is no exception. Numerous hands were on the till to ensure its smooth running with special mention for Papa Abel Chieng (one of our oldest Chartered members) and Ben Lo (our youngest member). This epitomizes the culture of our Club where neither age, membership longevity, Rotary experiences nor much else stand in the way of carrying out the task at hand. Kudos to incoming President Louis Yong who had been very active in soliciting advertisement revenue to build up a respectable pool of Club funds to implement service projects in the forth coming year. My utmost gratitude for all the assistance my Organizing Committee members had provided during the course of organizing this event. And I am confident that all our members will continue our tradition of being exemplarily hosts before, during and after this Installation.

My gracious thanks to District 3310 Governor 2014-2015 Hj Andre Suharto for accepting our invitation to be the Guest of Honor. He has brought numerous accolades to our Club and we are sure that there will be many more during his term as he Lights Up Rotary as the first District Governor from our Club.

Message

Thank you for giving me the opportunity to write this message in conjunction with the installation ceremony of the 29th club president Louis Yong, his board of directors and club officers for the Rotary year 2014-15.

This is the club which I have been a member since its birth in 1986. I have seen the progress of how this club has grown from strength to strength in terms of membership size and fellowships.

The club members have been united and supportive of the club president every year. Everyone has been forthcoming and willing to help. This is the uniqueness of the club members which could have been the result of good fellowship among them.

The Rotary Club of Kuching Central has the experience of how a signature project in Preventive Blindness can 'wake up' the sleeping 'giant' and unlock the potential inside a member.

Being one of the strongest clubs in Sarawak, I would like to encourage incoming club president Louis Yong to take advantage of the good foundation that has been laid down by outgoing president Patrick Luk to expand the portfolio of signature projects. Signature projects can eventually be a trade mark of the club and if the projects have great positive impact on the community, it can create 'pull' factor in increasing membership.

Rotarians are a special kind of people who pay to serve by donating their time, financial and other resources. Rotarians are action oriented people, who will light a candle rather than to sit and complain about the darkness. That's why Rotary clubs and Rotarians provide help to those in need regardless of their race, creed, religion, language and political beliefs. Therefore it is vital that projects are not implemented only in one community, but in as many and varied communities as possible. This will demonstrate that we mean what we say.

It is nobler to give than to take. The thrill of taking lasts a day. The thrill of giving lasts a lifetime. It's easier to take than to give. As we work to brighten the lives of others, we naturally light our own path through life.

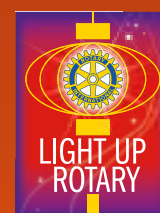

May this new Rotary year bring fulfilment in the life of each Rotarian in this club as we 'Light Up Rotary' to rekindle the hope in us to serve those who are in need.

Join me to 'Light Up Rotary',

Andre Suharto

Dear Fellow Rotarians,

One of Rotary's distinctive characteristics is that, with the exception of Rotary International directors who serve two years terms, and the Rotary Foundation trustees with four-year terms, the entire leadership in the organization changes every 1 July. This annual change demands that Rotary have a continual supply of good leaders to keep the wheel rolling.

So, each year on the first of July, Rotary Clubs throughout the world induct a new President and Board of Directors to take over the helm of the club for another year. Some Clubs do so in grand fashion others have a quiet ceremony. Whatever, it is a sign or renewal of leadership, the old giving way to the new.

Some retiring officers breathe a sigh of relief; glad that it is all over. Others would celebrate a job well done.

While I pen this simple message I am certain that Outgoing President Patrick and his Board of Directors had done an outstanding job and leave the incoming officers a target to bring the club to the next level. Rotary Club of Kuching Central has strong tradition and high standard. The job of the President becomes more and more challenging each year.

Rotary is an organization made up of successful individuals and captains of industry. The most difficult job for every Club President is to lead a group of volunteers who are also leaders in their own right. Unlike a boss or employer you do not have any power, but the power of gentle persuasion to get the job done. None of your members owe you a living. In this regard I commend everyone past, present and future who are willing to take on this challenge.

In spite of all that many Rotary Clubs, year after year, find meaningful projects in the service of the community. It is this devotion to service to the needy that drives us forward towards a better world.

I urged all of you to be more than just a member of a Rotary Club. We must all strive to be Rotarians. There is a great deal of difference between the two.

A true Rotarian is more than just a member of a club. He or she is fully committed to Rotary's ideals of *Service Above Self*. He or she will go the extra mile to make a difference.

My congratulations to Incoming President Louis Yong and his Board, wishing you all a great Rotary Year ahead!

As we *Light Up Rotary*, let's continue to *Engage Rotary, Change More Lives*.

Club Officers in District 3310

Dear fellow Rotarians,

I am happy to congratulate you on your installation to the office of 2014-15 club officers.

Your office is important not just for the tasks you perform, but for the leadership you provide. As an officer in your club, you serve as an example of motivation, engagement, and service.

Rotary's global leadership may help set priorities and chart a course, but it is you, at the club level, who hold Rotary's future in your hands. It is at the club level that we succeed or fail, because it is at the club level that members become excited about service, and pull together to make change.

No one knows your members, or your community, better than you do yourself, and you have the opportunity to harness that knowledge and your leadership role to generate enthusiasm for Rotary's mission. In Rotary we find solutions, not excuses. Committed members make a strong club, and strong clubs make Rotary shine.

Each Rotary year is a new beginning, a new chance to strive for greatness. I wish you every success in your new role, as we work together to Light Up Rotary.

Sincerely,

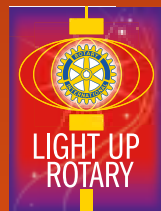

Gary C.K. Huang

Looking at the list of our distinguished fellow Past Presidents who have preceded me, it is indeed a great honour and privilege to be the 29th President of The Rotary Club of Kuching Central for the term 2014-2015 under the Rotary Theme "**Light up Rotary**".

This Rotary term 2014-2015 is also very special to our club as we are greatly honoured to have one of our own chartered members, Past President Andre Suharto as our District 3310 District Governor covering the regions of Singapore, the southern part of Semenanjung Malaysia (Johore and Malacca), Sabah, Sarawak, Labuan, Federal Territory and Brunei. I verily believe that all the members of our club are very honoured, proud and excited that our Rotary District 3310 is led by one of our own club members.

I would like to congratulate Immediate Past President Patrick Luk and his outgoing team for an outstanding Rotary year under his leadership, having won many district awards. He has indeed set a high standard for me and my incoming BOD. My team and I will have to work extremely hard to match and hope to surpass the standard set. The tradition that really makes our club unique is that all our Past Presidents, members and their immediate families are always enthusiastically prepared to render their invaluable assistance and give constructive advice and strong moral support to the Incoming President and his team. I am very confident that with their vast experience and charitable thoughts in Rotary and through projects implementation, our club is going to have another successful and memorable year ahead.

Our world today, from the macro point of view, is filled with many uncertainties, such as global warming, natural disasters, hunger and sickness, wars. Whereas from the domestic point of view many regions in our backyards lack basic amenities such as clean water provision, proper sanitation and power supply. Many rural areas are also faced with dilapidated school facilities, unaccessibility to proper health and medical care, just to name a few.

This year's Rotary Theme under our Rotary International Director Gary Huang is "**LIGHT UP ROTARY**". He has enlightened that "**Instead of complaining, why not we change**" that is to say if each Rotarian is to light up a candle, 1.2 million candles would have made our world a brighter place (to live in).

Let us begin this Rotary year with a "**LIGHT UP ROTARY**" heart and let us contribute our sincere best to help the less fortunate, the needy and the underprivileged in our societies, through implementation of more community projects, such as our signature project "**Cataract Operation**", implementation of Solar Lighting system and Water Filtration system, the laying of pipes and the donation of books to improve their quality and way of life.

Let's join me and my loving spouse Mimi by continuing to Engage Rotary, Change Life AND let us "**LIGHT UP ROTARY**".

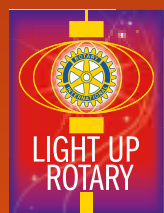

Thank-you.

Message

Dear Honorable Guests and Fellow Rotarians,

Greetings to all and on behalf of Rotary Club of Kuching Central, it's our great pleasure and honor to extend our warm welcome to you for attending our 29th Installation tonight.

Rotary International Theme for year 2013-2014 was "Engage Rotary", Change Lives". Several projects were carried out during the year. I wish to specially mention the tremendous efforts of OC PP Sylvester Fong and his committee members for successfully organizing the 26th Pan Borneo Meet (15-17 November 2013) where a record 190 rotarians from 26 clubs attended. A PBM project jointly funded by the 22 attending clubs was launched. A landscape project to beautify the Heart Center and to provide a green park for heart patients at Kota Samarahan, Kuching.

The club also carried out its first successful Global Grant Project. A joint project with our sister club in Korea, the Rotary Club of Seosan of district 3620. Sourcing and installation of Solar Lighting System for folks of Rumah Panggang Lubok Antu. The project brings electricity to 60 long house folks who until then never had night lighting.

A delegation of 7 members from our Club made a trip to visit our sister club RC of Seosan, Korea in September 2013, to reciprocate their visit to us earlier in May 2013.

Four more members become major donors to Rotary Foundation this year by contributing US\$10,000/- each to Rotary Foundation making RCKC one of the highest per capita contributing club in District 3310.

For this rotary year 2013-2014, RCKC has been awarded the Rotary International Presidential Citation with Distinction and Rotary International award for membership Development and Extension for our district, District 3310 Gold Award for Best Public Relations Project, Silver Award for Best Fellowship and Recreation Project, Bronze Award for Best Interact Club Project by Interact Club of SM Sains Kuching, Commendation Award for the Solar Lighting System Project Rumah Panggang Lubok Antu, Commendation Award for Pibakat Project for Down Syndrome Children by Rotaract Club of Swinburne University of Technology Sarawak.

Our members Ng Yaw Hua and Clarence Yong were individually awarded the District 3310 outstanding Rotarians and our President was awarded the District 3310 outstanding President. Ng Yaw Hua was also awarded the District Foundation Award. Pauline Ong, spouse of PP Frankie Ong was awarded the District 3310 outstanding supporting spouse award. A very big thank you to our District Governor Chew Ghim Bok, our Assistant Governor Abdullah Borda and our Board of Directors and Chairs for Rotary Year 2013-2014. Many thanks to tonight's organizing chairman Ng Yaw Hua and Papa Abel Chieng Lee Ching and their committee for successfully organizing this 29th Installation Dinner function.

Our best wishes and support to our incoming President, Mr Louis Yong and his Board of Directors for Rotary Year 2014-2015.

Yours in Rotary,

Introduction to Rotary International 2014-15 Theme - 'Light Up Rotary'

Rotary International formed in 1905 is an organization of service clubs known as Rotary Clubs located all over the world. It is a secular organization open to all persons regardless of race, religion, colour, creed, gender or political preference.

The purpose of the organization is to bring together business and professional leaders to provide humanitarian service, encourage high ethical standards in all vocations, and help to build goodwill and peace in the world. Members usually meet weekly, which is a social event as well as an opportunity to organize work on their service goals.

GUIDING PRINCIPLES

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST.** The development of acquaintance as an opportunity for service;
- SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Avenues of Service

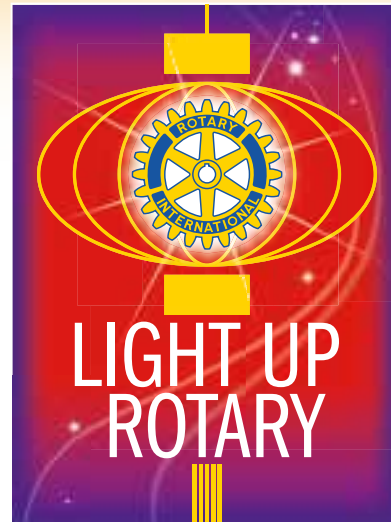

For years, Rotary's commitment to Service Above Self has been channeled through the Avenues of Service, which form the foundation of club activity.

- **Club Service** focuses on strengthening fellowship and ensuring the effective functioning of the club.
- **Vocational Service** encourages Rotarians to serve others through their vocations and to practice high ethical standards. Observed each October, Vocational Service Month spotlights Rotary club projects related to this avenue, offering opportunity for clubs and districts to use their professional skills in service projects.
- **Community Service** covers the projects and activities the club undertakes to improve life in its community.
- **International Service** encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace. Rotarians can support International Service by sponsoring a project in another country, seeking international project partners to support projects in their own communities, or by personally volunteering at an international project site. Visit the ProjectLINK database to post a project in need of assistance, find projects to support, or learn about successfully completed projects to replicate.
- **New Generations Service** recognizes the positive change implemented by youth and young adults through leadership development activities such as RYLA, Rotaract and Interact, service projects, and creating international understanding with Rotary Youth Exchange.

THE 4-WAY TEST

The test, which has been translated into more than 100 languages, asks the following questions: Of the things we think, say or do

- Is it the TRUTH?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Is it FAIR to all concerned?
- Will it be BENEFICIAL to all concerned?

Core Essence

A worldwide network of inspired individuals who translate their passions into relevant social causes to change lives in communities.

Mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Vision

The vision of Rotary International is to be the service organization of choice with dynamic, action-oriented clubs whose contributions improve lives in communities worldwide.

RI Strategic Plan

- Support and strengthen clubs
- Focus and increase humanitarian service
- Enhance public image and awareness

Core Values

Rotary International's core values are service, fellowship, diversity, integrity, and leadership.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community with regard to professional and business classification, gender, age, religion, and ethnicity is a club with the key to its future.

STATUS REPORT: 99% POLIO-FREE

The greatest example of Rotary's effective collaborations is its flagship programme, Polio Plus, which aims to eradicate polio worldwide. Working with spearheading partner UNICEF, the US Centers of Disease Control & Prevention, and WHO, Rotary has contributed over US\$600 million and countless volunteer hours to help immunize more than two billion children against the crippling and often fatal disease.

Bills & Melinda Gates Foundation has awarded Rotary USD355 million to support its effort to eradicate polio. In response, Rotary has committed to raise USD200 million by 30th June 2012. This target has been met. Through the work of the Global

FAMILY OF ROTARY

At a Glance

The family of Rotary extends beyond individual Rotarians and Rotary clubs to include other service-minded people who help with the organization's work. Groups such as Rotaract, Interact, and Rotary Community Corps serve side by side with sponsor clubs, using their diverse skills to improve the quality of life in their communities. Rotary & United Nations

Rotary and United Nations have a long history of working together and sharing similar visions for a more peaceful world.

In 1942, clubs from 21 nations organized a conference in London to develop a vision for advancing education, science and culture after World War II. That event was a precursor to UNESCO. In 1945, 49 Rotarians went to San Francisco to help draft the UN Charter. Rotary and UN have been close partners ever since, a relationship that's apparent through Polio Plus and work with UN agencies.

Polio Eradication Initiative more than 5 million people, who would have been otherwise paralyzed, are walking because they have been immunized against polio, and more than 500,000 cases of polio are prevented each year due to the efforts of governments and the GPEI partnership. Transmission of the poliovirus has been stopped in all but four countries - Afghanistan, India, Nigeria and Pakistan - and the virus is being contained within increasingly smaller geographical areas within those countries.

Polio cases have declined rapidly since 1985, but the fight isn't over. Polio is a crippling and potentially fatal infectious disease, and for as little as US\$0.60, a child can be protected against the virus for life. If we don't finish the fight right now, more than 10 million children under the age of five could be paralyzed by polio in the next 40 years.

More info at <http://www.endpolio.org/>

Polio still cripples thousands of children around the world. With your help, we can wipe this disease off the face of the earth forever. Visit rotary.org/endpolio to help.

HELP ROTARY WIN THE FIGHT AGAINST POLIO

Rotarians have been fighting to eradicate polio for more than 20 years, and we are this close to achieving our top priority. Now is the time to act, to join this historic effort, and to help us

CROSS THE FINISH LINE

HERE'S WHAT YOU CAN DO

TOP 5 REASONS TO ERADICATE POLIO

- 1. THE HUMAN COST:** If we choose to control polio rather than eradicate it, polio could rebound to 10 million cases in the next 40 years.
- 2. IT'S ACHIEVABLE:** We have the tools to end polio and the means to reach all children. The new, bivalent vaccine successfully targets the two remaining strains of polio in one dose.
- 3. IT'S A GOOD INVESTMENT:** An independent study published in the medical journal *Vaccine* estimates the \$9 billion global investment in a polio-free world will net an economic benefit of \$40 to 50 billion over the next 20 years.
- 4. IT STRENGTHENS THE SYSTEM:** Our polio eradication efforts have established an active disease surveillance network in all countries that is being used for other health interventions such as measles vaccinations, deworming tablets, and mosquito bed nets.
- 5. IT SETS THE STAGE:** The ability to reach all children with the polio vaccine is proof of concept that we can succeed on our next major global health initiative.

ASSISTANT GOVERNORS

Assistant Governors are district appointees selected by the incoming Governor. They are not officers of Rotary International. Assistant Governors are to be appointed on an annual basis, with no Assistant Governors serving more than three one-year terms.

Assistant Governors must be Past President of Clubs in the District, willing and able to accept the responsibilities of Assistant Governors. They must have successfully served at the district level, and have potentials as future Governors of District.

Responsibilities

The assistant governor has responsibilities to both the district governor and the club.

District-level responsibilities include:

- Assisting in developing district goals
- Coordinating the DG's official visit with clubs
- Communicating clubs' strengths, weaknesses, and progress toward goals to the governor
- Attending district meetings
- Participating in Rotary Foundation programs, events, and fundraising
- Helping develop future district leaders
- Briefing the incoming assistant governor on the status of clubs

Major Gifts, Major Impact

Rotary International meets vital needs

Rotary International The Rotary Foundation

Through the generosity of people like you, Rotary funds sustainable projects that help communities throughout the world address their greatest challenges. Rotary projects yield both immediate and long-term benefits, while multiplying the impact of each gift, strengthening communities, and building world understanding and peace.

Rotary supports projects in six areas of focus:

- | | |
|--|--|
|  Peace and conflict prevention/resolution |  Maternal and child health |
|  Disease prevention and treatment |  Basic education and literacy |
|  Water and sanitation |  Economic and community development |

Rotary's top priority remains the eradication of polio. Through PolioPlus, Rotary is a leading partner in the Global Polio Eradication Initiative, along with the World Health Organization, UNICEF, the U.S. Centers for Disease Control and Prevention, and more recently the Bill & Melinda Gates Foundation. Rotary has helped immunize more than 2.5 billion children, mobilized public support, and contributed over US\$1 billion in the effort. Polio cases have dropped 99 percent since 1988 when the GPEI began.

Major Donors

RC Kuching Central proudly recognises the following four members who became Major Donors Rotary Year 2013-2014. They joined DG Hj Andre Suharto and 92 others in our District 3310 and over 39,000 worldwide individuals who have attained Major Donor status. Major donors are individuals that have generously donated a cumulative of at least US\$10,000 to The Rotary Foundation.
