Dear Club Officers of District 3310:

I want to congratulate each of you on your installation as one of the 2016-17 Rotary club officers of District 3310.

As a club officer, you can help strengthen your club - raising awareness of its work, gaining new members, and helping to carry out projects that have a lasting impact. Your guidance and example are essential to keeping your fellow Rotarians enthusiastic and engaged. Our success as a service organization begins at the club level - Rotarians are the foundation of everything that Rotary stands for. Without active members like you, we would not be the organization we are today.

Congratulations again on your new position. I look forward to a year of great accomplishments with your help, and of Rotary Serving Humanity.

Sincerely,

John F. Germ

Rotary Club of Kuching Central is a club of giants! You have big, strong and friendly outgoing President Ng Yaw Hua.

You have a very powerful Past District Governor in Haji Andre Suharto, a very active and versatile immediate past Assistant Governor in Frankie Ong, and his charming wife Pauline.

You have one of the best District Conferences with the best hospitality by the Rotary Club of Kuching Central. You did the biggest RYLA in the District so far. The Trans Borneo End Polio Ride ended here in Kuching.

This list of your club's big achievements can go on and on.

Suffice to say that I am really sitting among giants when I am with Rotary Club of Kuching Central.

The great tradition of continuity and goodwill in the leadership transition of Rotary clubs is what makes our organisation unique and great.

I thank and congratulate outgoing President Ng Yaw Hua and outgoing First Lady Kitty and the Board of Directors for completing a great Rotary year. I believe you have made a difference in the lives of people. Surely the year has made a difference for you and your loved ones too.

Len Nyuk and I enjoyed the year that passed with the enriching experiences, wonderful friendships and service to be a gift to the World. We will cherish these special moments for many years to come. Thank you once again my dear friends.

My heartiest congratulations to President Clarence Yong and First Lady Charmain, the Board of Directors, and Members of Rotary Club of Kuching Central on your grand installation. I'm sure you have a great year to look forward to with Rotary serving humanity in 2016-17.

Enjoy Rotary and love humanity!

All the best, God bless!

Yours sincerely,

Rotary International has since October 2014 recognized membership as our organization's top internal priority. The eradication of polio remains Rotary's top external priority. Thus membership growth is the goal of every Rotarian and club. As the incoming club president and club officers, collectively you are leaders charged with making your club attractive to prospective Rotarians. This is your great opportunity to rise to the demands and challenges of leadership and to leave a lasting legacy of developing more club leaders, strong membership growth, and a vibrant club.

A good leader has a leadership mindset, is charged up with leadership motivation, and demonstrates leadership behavior. The leadership mindset has several characteristics: the need for achievement, a preference for challenge, and an acceptance of personal responsibility for outcomes. Leadership motivation is initiated, energized, and maintained by goal-directed behavior. Leadership mindset and motivation can only translate into action if leadership behaviors exist, some of these being confidence, risk, interpersonal skills, and social capital.

Social capital is incredibly valuable to leaders. The rise of the sharing economy - think of Facebook, LinkedIn, Airbnb, eBay, Uber - and collaborative consumption have energized the idea of social networks. Rotary is the world's first service organization and also probably its first social network. We want to enlarge our membership and bring the benefits of Rotary's social capital to more people to help us realize Rotary Serving Humanity.

Rotary can serve humanity only if we have more Rotarians, not less. The Object of Rotary isn't mentioned a lot nowadays but it's in realizing that it describes who we are that enables us to realize our mission: "to encourage and foster the ideal of service as a basis of worthy enterprise." We are asked to expand our social network for "the development of acquaintance as an opportunity for service."

Therefore, all clubs must embrace this movement toward the goal of membership. We move toward this goal at our own pace and rhythm. Leaders cannot

assume everyone is on the same pace. Membership development is not a "one size fits all" process. There must be a movement toward one another. We were not meant to walk our Rotary journey alone but with the Rotary community. There must be a movement toward mission. We have enjoyed the benefits of Rotary membership and now it is time to give it away and share it with more people. Such things take time. Membership development is a hard and lengthy process. It takes a lot of time and deliberate effort from us leaders to invest in building relationships and increasing our social capital.

Think about the following questions: What is your current membership development strategy? How are you measuring membership growth in your club? What opportunities are you offering members to live out what they are learning? What is your current strategy for bringing new people into your club? Is it effective?

Many of the changes that clubs need to start experiencing growth are small and incremental. They do not require tons of capital or excessive energy. They often require just a change of perspective. You need to see people as your most important resource. You need to choose who you are trying to reach. You need a plan for how you will reach them. And you need to always be looking for opportunities.

You are the All Star Team of new club leaders. Your club is now under new management. You are the new front door. Break the old rules. Implement new ways to get the best out of yourself and your club. Make leadership your calling. The power of calling - or vocation - can beneficially shape individuals, organizations, and society as a whole. It can shape your club and members. It will shape Rotary Serving Humanity in our Rotary Foundation Centennial and beyond, "doing good in the world."

I wish you a successful and meaningful year of service to your members and your community.

Outgoing Club President 2015-16

The Rotary Foundation in June of 2016.

RCKC's extensive activities and contributions met the criteria to achieve Rotary International Presidential Citation (Gold). At District level, yours truly was awarded World Class Club President with other individual awards to AG Frankie Ong, PP Thomas Ngu, Rtn Wong Chen Yi, Rtn Louis Wong and Rtn Spouse Pauline Pui in recognition of our services to District. OC & Club Secretary Ben has to be congratulated on coaching all members to open MyRotary accounts on RI website, thereby receiving the 100% MyRotary Award from IPDG Philip.

RCKC upholds the time honour tradition of great fellowship during our Club gatherings with the usual inclusion of family members and active spouses. Club Admin Chair, Incoming President Clarence and his special Advisor Abel Chieng worked tirelessly to ensure a high turnout for all Club events and weekly meetings. This is evidenced by a record 20 members achieving 100% attendance after factoring in time spent on Club projects. There were constant interactions among active members of the four Kuching Clubs with AG Frankie Ong as the catalyst. The presence of over 230 Rotarian guests from 50 Rotary Clubs at this Installation bears testament to the camaraderie that has formed between our members and those from throughout D3310 and beyond.

I would like to express my gratitude to IPDG Philip Chong and his spouse Len Nyuk for their constant presence at our Club functions and events, despite their ultra busy schedule. Also, my sincere appreciation and thanks goes to my Board of Directors for guiding the Club with a steady hand. A special mention must be accorded to PDG Hj Andre Suharto and Group 14 AG Frankie Ong who were always ready with the appropriate advice. My journey has been filled with blissful and illuminating moments combined with strong support from my fellow members and their spouses. I wish the same for Incoming President Clarence. To my ever faithful and most supportive Kitty, thank you, thank you, and thank you.

membership numbers at its highest ever at 45. The newest members have all unhesitatingly undertaken assignments asked of them, and shown leadership qualities by leading various Club projects. Well done Club Membership Chair PP Kho Ping, who was also my sponsor 12 years ago.

Club International Chair PP Thomas Ngu has also worked in overdrive to spur Club members and spouses to visit over 30 Clubs' Installation and Anniversary celebrations throughout D3310, and beyond. This encouraged record numbers of members and spouses to attend Pan Borneo Meet in Labuan, District Assembly in Johor Bahru, and District Conference in Chiangmai. Our presence was also felt at Singapore Intercity Meeting, Manila Zone Institute, RI Convention, and other District Conferences. Sister Club tri-annual renewal agreements were signed with D3620 RC Seosan, D3300 RC Tanjung Bungah and RC Malacca over the past year. His enthusiasm for all things Rotary and his generosity knows no bound, and has raised RCKC profile prominently among D3310 Rotarians and beyond.

There was a marked increase in activities for our youths this past year. The i-Quiz competition in partnership with D3300 RC Bandar Sunway for the Sarawak region was held for the first time with participation from 60 Interact teams from Interact Clubs throughout Sarawak. The winning team from Lodge International School went on to the Finals and placed 5th nationwide, earning them a partial scholarship at Bandar Sunway College for each of the 3 members. Rotary Youth Leadership Awards (RYLA) 2015 Kuching was held for a second consecutive year. Both iQuiz and RYLA were ably helmed by PP Dr Willie and his team. Our Interactors took part for the first time ever at the 3-day RC Singapore annual top rated Interact Training camp as well as the D3310 Interact Conference held in Muar. In addition, our Rotaractors attended the Rotaract District Assembly for a second consecutive year in Singapore.

The highlight of our Youth program was undoubtedly the return visit by D3620 South Korean Youth Exchange Team (short term) to Kuching after 16 of our Rotaractors and Lecturer Advisors paid them an initial visit to Seoul and Seosan. These short term youth exchanges have enriched the experiences of all involved. Cultural knowledge was enhanced, local lifestyles were learned with home stays and friendships were forged. Extensive planning and preparations were ably handled by Andrea Chan and Michael Kuan.

I am extremely proud that all five of our Interact sponsored Clubs and both our Rotaract Partnered Clubs achieved RI Presidential citations for 2015-16. This is the accumulation of dedicated hard work by our Rotarians Advisers and Teacher/Lecturer Advisers under the leadership of Youth Chair PP Frankie Yang.

Club members continue to contribute generously to The Rotary Foundation with total giving of over USD12,000 last year. AG Frankie Ong led by example as Club Foundation Chair when he & his spouse joined the ranks of Major Donors. Five of our members became Chartered Members of the newly formed D3310 Paul Harris Society and seven of our newer members subscribed to Rotary Direct for sustained giving. Another milestone was achieved when RCKC was recognized as a 100% PHF Club by

The wonderful and life changing journey of my Rotary Presidency began a year ago with some trepidation, even though I can lay claim to be better prepared than most. Leading a vibrant Club with many active and engaged members has its own but very manageable challenges. However, the building blocks laid down by our Club's past presidents has proven to be very solid foundation to stand on. Ultimately, the combination of wise old heads and enthusiastic young members proved to be an irresistible force in touching the many lives of the less fortunate in our Society this past year. In turn, the ability to make a difference has enriched those that have served, and drives them to strive to do more.

The Club was able to undertake many projects with the support of Members and assistance from friends and supporters of our Rotary Club. A large number were jointly carried out with other Clubs and across District lines. They included

- RC KK South (GG Clean Water to Kg Sinompuru)
- RC Miri (Palliative Care Centre in Miri General Hospital)
- RC Sentosa (Bike to School)
- RC Singapore & D3420 RC Malang Central (Help the Children-Literacy)
- RC Miri (Medical Mission to Bario)
- RC Kuching South (Solar Power Lighting for Chung Hua Middle School No.3)
- RC Queenstown (SOS Children Village - Manila)
- D3300 RC Penang & RC Tg Bungah (Gift of Life - Joshua)
- D3300 RC Damansara West (Gift of Sight)
- D3300 RC Penang (Gift of Life - Aronika)
- D3300 RC Penang (School Uniform)
- D3480 RC Golden Eagle Taipei (Supporting rural students in Taiwan & Philippines)

On the local front, we completed

- GG Clean Portable Water to Melikin
- Renovation of Community Halls to 3 kampungs in Simunjan
- Hand over 90 Solar torches to households of 4 villages and longhouses
- Charity sales for 4 NGOs
- Eye screening to over 1,000 students in SMK DPHA Gapor
- Fund raising Through Charity Bowling for Food parcels to the hard core poor
- A day's outing with the children of Sarawak Autistic Association
- Organised Sarawak Regional i-Quiz Competition
- RYLA 2015 Kuching to instil Leadership qualities in our Youth
- End Polio Fun Ride to create Polio Eradication Awareness

Projects Service Chair Rotarian Jong Kiam Ngee had a most busy year but was greatly assisted by project proponents who took it upon themselves to ensure their projects were expediently carried out. A special mention goes to IPP Louis Yong for his extensive involvement in most of our local projects.

The past year was a watershed moment in our 30-year history with the Club welcoming its first female member inductee in young Andrea Chan. Her batch included another 3 young male inductees, namely Michael Kuan, Calvin Chong and Roland Phang, all in their late twenties and early thirties. Two of these 4 members were Past Presidents of our partnered Rotaract Club. These pioneer female and youthful male inductees have added a dash of vibrancy: with

Dear Fellow Rotarians, Spouses, and Friends,

Rotary's founder, Paul Harris believed that serving humanity is 'the most worthwhile thing a person can do,' RI President 2016-17 John F. Germ said, and that being a part of Rotary is a "great opportunity" to make that happen. "I believe everyone recognizes the opportunity to serve Rotary for what it truly is: not a small opportunity, but a great one; an opportunity of a lifetime to change the world for the better, forever through Rotary's service to humanity," said Germ when he unveiled the annual Presidential theme for Rotary year 2016-17, Rotary Serving Humanity.

I am proud to say the organization we are in today, Rotary International, leads the world in volunteer service. Rotarians are dedicated to serve Humanity with the common goal of 'Service Above Self'. We are an inspiration to others. Let us live up to our goal to always do good in the world by serving Humanity.

It is indeed a great honour for me to have been given the opportunity to be the 31st president of this dynamic service club that has carried out a number of significant projects over the past three decades that has benefited numerous underprivileged and needy people.

I would like to congratulate our World Class Outgoing President Ng Yaw Hua and his team of office bearers for an outstanding year, and for achieving the Gold-Level Rotary International Presidential Citation. To President Yaw Hua, thank you from the bottom of my heart for your commitment and unseen dedication in leading the club with great distinction. Your commitment to excellence has inspired others. I will endeavour to continue your good work, although you will be a hard act to follow.

I wish to extend my sincere appreciation to Past District Governor Haji Andre Suharto for introducing Rotary to me and for his encouragement for me to take this role on, a decision I didn't make lightly.

As I look forward to the new Rotary year, I am excited about the possibilities. I believe all leaders are nothing without a great team, and I know that I will have the greatest club with the best club officers, and directors standing behind me. Not forgetting the excellent Rotary Family spirit that we always enjoy by including our families in our fellowships and service events. We are very proud of this unique tradition.

This year marks an important milestone for our club as we will be celebrating our club's 30th anniversary. I would like to take this opportunity to pay tribute to all our charter members, past presidents, and members for their hard work and tireless efforts to carry out so many humanitarian projects over the years. May RCKC continue on its quest to serving humanity to the best of its abilities.

On behalf of the Rotary Club of Kuching Central, I wish to express our sincere gratitude to our distinguished Guest of Honour District Governor Michael Yee for gracing our installation dinner.

Special thanks to Organising Chairman PE Benjamin Lo and his committee for their efforts to make this event a success. I also wish to express my appreciation to our guests, friends, supporters and families of Rotary for your contribution, attendance, and tremendous support.

Yours in Rotary,

Clarence Yong

Greetings to my fellow Rotarians & Guests. Welcome to the 31st Rotary Club of Kuching Central Installation dinner. On behalf of the Organizing Committee, I would like to extend a warm welcome to each and everyone who are with us today. For those who have travelled from outside of Kuching, we hope you will enjoy your visit to Kuching and take time to explore our quaint little city, savour local delicacies such as Laksa and Kolo Mee during your stay here. To our local Rotarians, I am sure that you will take this opportunity to make new friends or get reacquainted with old ones, and extend our famous Kuching hospitality to our visitors.

My gracious appreciation & gratitude to RI District 3310 Governor Michael Yee for accepting our invitation to be the Guest of Honor to grace tonight's event.

I would also like to acknowledge the presence of our sister clubs, namely RC Taipei Golden Eagle from RI District 3480, RC Tanjung Bungah from RI District 3300, RC Malacca, RC Queenstown and RC Bandar Seri Begawan for their continuous support and great rapport over the years. We also acknowledge the presence of our Friendship Club, RC E-Club of Singapore. Our sincere appreciation goes to the 50 Rotary clubs, their supportive members and spouses who have chosen to be with us tonight.

We have been blessed with the addition of four young Rotarian members who have actively participated, and shown leadership in organizing club events. Special credit goes out to Rotarian Andrea Chan, our first female Rotarian who has helped with the compilation and design of this year's installation magazine.

On behalf of RC Kuching Central, we would like to convey our utmost thanks and appreciation to our sponsors who have generously contributed to our Club through placement of advertisements and contribution in kind. Our Club projects would not have been possible without your support.

As one of the youngest members of this club,, being chosen as the Organising Chairman of this installation dinner is indeed a privilege and has also been a great learning experience. I would like to thank my Organizing Committee members who worked tirelessly to make this event a success. Senior members have also extended their support to advise and guide me where needed.

Lastly, I would like to congratulate the Outgoing President Ng Yaw Hua and his Board of Directors on their achievements for the Rotary Year 2015-16 that have lifted our club to new heights; and welcome the Incoming President Clarence Yong and his Board of Directors. I wish them every success in their new roles as we strive together to serve humanity.

Best wishes,

INTRODUCTION TO ROTARY INTERNATIONAL 2016-17 THEME - 'ROTARY SERVING HUMANITY'

Rotary International formed in 1905 is an organization of service clubs known as Rotary Clubs located all over the world. It is a secular organization open to all persons regardless of race, religion, colour, creed, gender or political preference.

The purpose of the organization is to bring together business and professional leaders to provide humanitarian service, encourage high ethical standards in all vocations, and help to build goodwill and peace in the world. Members usually meet weekly, which is a social event as well as an opportunity to organize work on their service goals.

GUIDING PRINCIPLES

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the Avenues of Service, which form the foundation of club activity.

- **Club Service** focuses on strengthening fellowship and ensuring the effective functioning of the club.
- **Vocational Service** encourages Rotarians to serve others through their vocations and to practice high ethical standards. Observed each October, Vocational Service Month spotlights Rotary club projects related to this avenue, offering opportunity for clubs and districts to use their professional skills in service projects.
- **Community Service** covers the projects and activities the club undertakes to improve life in its community.
- **International Service** encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace. Rotarians can support International Service by sponsoring a project in another country, seeking international project partners to support projects in their own communities, or by personally volunteering at an international project site. Visit the ProjectLINK database to post a project in need of assistance, find projects to support, or learn about successfully completed projects to replicate.
- **Youth Service** recognizes the positive change implemented by youth and young adults through leadership development activities such as RYLA, Rotaract and Interact, service projects, and creating international understanding with Rotary Youth Exchange.

The test, which has been translated into more than 100 languages, asks the following questions: Of the things we think, say or do

- Is it the TRUTH?
- Is it FAIR to all concerned?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Will it be BENEFICIAL to all concerned?

Core Essence

A worldwide network of inspired individuals who translate their passions into relevant social causes to change lives in communities.

Mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Vision

The vision of Rotary International is to be the service organization of choice with dynamic, action-oriented clubs whose contributions improve lives in communities worldwide.

RI Strategic Plan

- Support and strengthen clubs
- Focus and increase humanitarian service
- Enhance public image and awareness

Core Values

Rotary International's core values are service, fellowship, diversity, integrity, and leadership.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community with regard to professional and business classification, gender, age, religion, and ethnicity is a club with the key to its future.

Polio

Poliomyelitis (polio) is a paralyzing and potentially fatal disease that still threatens children in some parts of the world. The poliovirus invades the nervous system and can cause total paralysis in a matter of hours.

It can strike at any age but mainly affects children under five. Polio is incurable, but completely vaccine-preventable.

PolioPlus

In 1985, Rotary launched its PolioPlus program, the first initiative to tackle global polio eradication through the mass vaccination of children. Rotary has contributed more than \$1.5 billion and countless volunteer hours to immunize more than 2.5 billion children in 122 countries. In addition, Rotary's advocacy efforts have played a role in decisions by donor governments to contribute more than \$9 billion to the effort.

Global Polio Eradication Initiative

The Global Polio Eradication Initiative, formed in 1988, is a public-private partnership that includes Rotary, the World Health Organization, the U.S. Centers for Disease Control and Prevention, UNICEF, the Bill & Melinda Gates Foundation, and governments of the world. Rotary's focus is advocacy, fundraising, volunteer recruitment and awareness-building.

Polio Today

According to global polio surveillance data from March 9, 2016, 5 wild poliovirus cases were reported in Pakistan and 1 wild poliovirus case was reported in Afghanistan in 2016. In 2015, 74 cases of wild poliovirus were reported: 54 from Pakistan and 20 from Afghanistan.

FAMILY OF ROTARY

At a Glance

The family of Rotary extends beyond individual Rotarians and Rotary clubs to include other service-minded people who help with the organization's work. Rotary & United Nations

Rotary and United Nations have a long history of working together and sharing similar visions for a more peaceful world.

In 1942, clubs from 21 nations organized a conference in London to develop a vision for advancing education, science and culture after World War II. That event was a precursor to UNESCO. In 1945, 49 Rotarians went to San Francisco to help draft the UN Charter. Rotary and UN have been close partners ever since, a relationship that's apparent through Polio Plus and work with UN agencies.

Challenges

The polio cases represented by the remaining one percent are the most difficult to prevent, due to factors including geographical isolation, poor public infrastructure, armed conflict and cultural barriers. Until polio is eradicated, all countries remain at risk of outbreaks.

Ensuring Success

Every dollar Rotary commits to polio eradication will be matched two-to-one by the Bill & Melinda Gates Foundation up to \$35 million a year through 2018. These funds help to provide much-needed operational support, medical personnel, laboratory equipment, and educational materials for health workers and parents. Governments, corporations and private individuals all play a crucial role in funding.

Rotary in Action

More than one million Rotary members have donated their time and personal resources to end polio. Every year, hundreds of Rotary members work side-by-side with health workers to vaccinate children in polio-affected countries. Rotarians work with UNICEF and other partners to prepare and distribute mass communication tools to reach people in areas isolated by conflict, geography, or poverty. Rotary members also recruit fellow volunteers, assist with transporting the vaccine, and provide other logistical support.

'This Close' Campaign

Rotary has a growing roster of public figures and celebrities participating in its "This Close" public awareness campaign, including Bill Gates, co-chair of the Bill & Melinda Gates Foundation; actresses Kristen Bell and Archie Panjabi; WWE superstar John Cena; supermodel Isabeli Fontana; Nobel Peace Prize laureate Archbishop Emeritus Desmond Tutu; action movie star Jackie Chan; boxing great Manny Pacquiao; pop star Psy; golf legend Jack Nicklaus; conservationist Jane Goodall; premier violinist Itzhak Perlman; Grammy Award winners A.R. Rahman; Angelique Kidjo and Ziggy Marley; and peace advocate Queen Noor of Jordan. These ambassadors help educate the public about polio through public service announcements, social media and public appearances.

Polio still cripples thousands of children around the world. With your help, we can wipe this disease off the face of the earth forever. Visit rotary.org/endpolio to help.

HELP ROTARY WIN THE FIGHT AGAINST POLIO

Rotarians have been fighting to eradicate polio for more than 20 years, and we are this close to achieving our top priority. Now is the time to act, to join this historic effort, and to help us

CROSS THE FINISH LINE

HERE'S WHAT YOU CAN DO

TOP 5 REASONS TO ERADICATE POLIO

- 1. THE HUMAN COST:** If we choose to control polio rather than eradicate it, polio could rebound to 10 million cases in the next 40 years.
- 2. IT'S ACHIEVABLE:** We have the tools to end polio and the means to reach all children. The new bivalent vaccine successfully targets the two remaining strains of polio in one dose.
- 3. IT'S A GOOD INVESTMENT:** An independent study published in the medical journal *Vaccine* estimates the \$9 billion global investment in a polio-free world will net an economic benefit of \$40 to 50 billion over the next 20 years.
- 4. IT STRENGTHENS THE SYSTEM:** Our polio eradication efforts have established an active disease surveillance network in all countries that is being used for other health interventions such as measles vaccinations, deworming tablets, and mosquito bed nets.
- 5. IT SETS THE STAGE:** The ability to reach all children with the polio vaccine is proof of concept that we can succeed on our next major global health initiative.

Major Gifts, Major Impact

Rotary International meets vital needs

Rotary International The Rotary Foundation

Through the generosity of people like you, Rotary funds sustainable projects that help communities throughout the world address their greatest challenges. Rotary projects yield both immediate and long-term benefits, while multiplying the impact of each gift, strengthening communities, and building world understanding and peace.

Rotary supports projects in six areas of focus:

- | | |
|--|--|
|  Peace and conflict prevention/resolution |  Maternal and child health |
|  Disease prevention and treatment |  Basic education and literacy |
|  Water and sanitation |  Economic and community development |

Rotary's top priority remains the eradication of polio. Through PolioPlus, Rotary is a leading partner in the Global Polio Eradication Initiative, along with the World Health Organization, UNICEF, the U.S. Centers for Disease Control and Prevention, and more recently the Bill & Melinda Gates Foundation. Rotary has helped immunize more than 2.5 billion children, mobilized public support, and contributed over US\$1 billion in the effort. Polio cases have dropped 99 percent since 1988 when the GPEI began.
