My congratulations to the newly installed Board Of Directors of Rotary Club, Kuching Central, at this 16th Installation Ceremony.

In line with the objectives of the Rotary Club, you have rightly chosen the theme, Mankind Is Our Business, for the Rotary Year 2001-2002. The theme is as challenging as it is inspirational for the Rotarians. It focuses on the building of a better world for mankind. Indeed, Nothing is more rewarding and fulfilling than to use our spare time and effort to help others. It is in here lies the deep sense of joy and happiness when we see our contribution, no matter how small it is, helping to make this world a better place to live in.

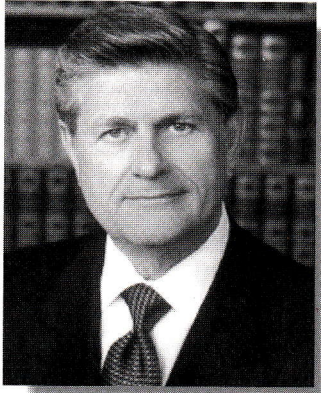

I have no doubt that the newly installed Board of Directors will respond to the trust and confidence of the members and lead the Rotary Club of Kuching Central with the belief of service above self.

(Tan Sri Datuk Amar Dr. George Chan Hong Nam)

## Mankind Is Our Business

*2001-02 Presidential Citation Program*

Dear Club Presidents

The 2001-02 Presidential Citation is designed to strengthen Rotary clubs and club and district leadership to demonstrate that Mankind Is Our Business. As Rotarians, it is our responsibility to commit ourselves to the well-being of humanity by growing and strengthening Rotary. The advancement of these goals during 2001-02 will contribute toward fulfilling the Object of Rotary now and in the future.

This year the Presidential Citation Program has been expanded into three parts to challenge each Rotary club, club president, and district governor to address the important issues of Membership Development, Rotary's Public Image, Rotary Education and Training, and Club Development and Improvement. All of these Challenges are integral to ensuring the ability of Rotary to serve humanity into the future.

We will recognize those Rotary clubs, club presidents, and district governors that distinguish themselves in demonstrating their commitment to Rotary's future by meeting the achievements outlined in each category in this brochure and submitting the materials to RI no later than 24 May 2002. Qualifying Rotary clubs will receive special recognition for their outstanding efforts. Qualifying Club presidents and district governors will receive distinctive and prestigious recognition for their achievement of these important accomplishments.

Exceptional district governors and club presidents and their spouses will be invited to be presented on stage at the Rotary International Convention in Barcelona. The four most outstanding district governors and the four most outstanding club presidents will attend the Convention at Rotary's expense. These eight outstanding individuals will be selected by a committee, convened by me, for going well beyond the minimum standards of the Presidential Citation Program as indicated on their entry forms.

All Rotarians must actively participate in growing and developing Rotary in their communities if we are to realize our goals and our potential as an international humanitarian service organization. Throughout 2001-02, all of us are called to demonstrate that Mankind Is Our Business.

Sincerely,

Richard D. King  
2001-02 President, RI

## MESSAGE FROM DISTRICT 3310 ABANG NAWAWI ABANG DRAHMAN GOVERNOR ELECT 2000/2001 GOVERNOR 2001/2002

Dear President,

Congratulations on your being elected to lead your club for 2001-2001 Rotary year! As your District Governor, my wife and I will serve you as your primary supporters at the district level.

In the next twelve months, you and I are going to ensure that Rotary International President Richard D. King's Goals to strengthen Rotary Leadership to demonstrate that **"Mankind Is Our Business"** is met. To do that, about 95% of clubs and club officials in our district have been given sufficient tools at the PETS, SETS and District Assembly held in Kuching, Sarawak recently.

These tools may not be sufficient for you to use in view of that you are encouraged to build your own resources through various means, such as visiting RI website at [www.rotary.org](http://www.rotary.org) and Rotary latest literature on 2001-2002 year theme.

On the other hand, there are Rotarians in your club, in your group and in our district, in their official capacities ready to help you. These district officers have been briefed accordingly. The nearest person you can reach is your Assistant Governor, please call him for assistance. As the club leader, you have the privilege to invite anyone of them to work with you in realizing your club goals. Rotary Global Quest will be our major campaign to increase Rotary in our district.

**"Mankind Is Our Business"**

Yours-in-Rotary,

Abang Haji Nawawi Abang Drahman  
District Governor 2001-2002

Dear Fellow Rotarians,

Kindly allow me to extend my heartiest congratulations to your Incoming president Sim Cho Phong and his Board of Directors on the occasion of their installation to lead the Rotary Club of Kuching Central for the Rotary Year 2001-2002 under the overall leadership of R.I. To outgoing President Bobby Chai and his Board of Directors, I must record my appreciation and thanks for the leadership all of you have shown in Rotary Year 2000-2001. All of you have embraced the proactive theme of **"Create Awareness and Take Action"** in our club, our community and our world. You have given help to the many helpless, tears of joy to many who would have otherwise have cried in sorrow and have reached the unreachable. Every community service project that you have undertaken exemplifies Rotary's way of making this world a better world and towards the World Understanding and Peace.

Shelley and I want to thank all the members, spouses and friends of your club for the very warm friendship and hospitality extended to us during the time of our official visit and other meetings. We will always remember the wonderful time together.
