Message from

**Y.B. Dato Sri Abang Haji Abdul Rahman Zohari Bin
Tun Abang Haji Openg,
Minister of Tourism, Sarawak**

It is an honour and a distinct pleasure for me to be invited to officiate at the 17th Installation of Rotary Club of Kuching Central. Ten years ago, I was at your installation night in the same capacity and it is nice to see that your club continues to play a significant role in our community.

I wish to congratulate the incoming President and his Board of Directors on this installation night on being elected and to take on board the tasks ahead of you.

One of the virtues in the development of humanity and society is the ability for some to be willing to volunteer and create a caring society. I hope the club members will pursue with great vigour and determination in contributing to society and complement the Government's efforts to create a caring and better place to live for all whilst the country is being developed. Your Rotary International Theme for the year 2002/2003 is "Sow Your Seeds of Love". I believe that your club have already sown your seeds by raising money for the Sarawak Children's Cancer Society on the 1st July. As such I am confident that the year ahead will be a successful one.

Thank you.

Dato Sri Abang Haji Abdul Rahman Zohari Bin Tun Abang Haji Openg
Minister of Tourism, Sarawak

Message from **Bhichai Rattakul** Rotary International President 2002-2003

Dear Incoming President,

My sincere best wishes to all of you and congratulations to all the Club's Officers as they are installed for this new Rotary year 2002-03. You stand at the threshold of one of the most fulfilling experiences of your life, a year that promises to be filled with many rich rewards, as well as many challenges.

Joining Rotary's leadership team is a great honor and like all great honors, it carries a tremendous responsibility. In the Rotary year 2002-03, your club will look to you for the guidance and support that they need. You are filled with your own hopes and dreams for this year, but you are also the shepherd for the hopes and dreams of your fellow club members, who will look to you to make this your club's best year ever.

I truly believe that the best leaders lead by example. By sowing the seeds of love yourself, I guarantee that we will reap a bountiful harvest of humanitarian service. Live by the highest ethical standards in your Rotary lives, and in your professional lives. All of these things: empowering our clubs, increasing our membership, recommitting to Rotarian ideals of high ethical standards and community leadership, will strengthen Rotary. And as we have seen over and over again, a strong Rotary has the power to change our world. Let us go forth in 2002-03, and **Sow the Seeds of Love.**

Sincerely,

Bhichai Rattakul
Rotary International President,
2002-2003

Message from District Governor 2002 - 2003

My congratulations to incoming President Kho Ping and his Board of Directors on their appointment to office for the Rotary year 2002-2003. RI President Bhichai Rattakul has presented us with a wonderful theme for the Rotary year 2002-2003, which is "Sow the Seeds of Love". He has asked us to find opportunities to serve, to think of others first, to sow the seeds of love in your Club, your vocation and your community. As you carry out your projects or programs in the 4 avenues of services, do not forget the Rotary Foundation. Let the Rotarians of your Club know more about the Foundation and its service to humanity. Get the Rotarians of your Club to offer their unselfish contributions to assure the continuity and development of the Rotary Foundation. Maybe President Kho Ping you could either get a few more Paul Harris Fellows for the Club or better still make your Club a Foundation Club. May I leave you with this thought:-

*"Committed people desire the successful outcome of their pursuits with outstanding depth and intensity.
There is no room for apathy or lowered motivation.
Their commitment provides a constant source of
Renewal and energy that rejects indifference."*

Yours in Rotary,

Michael Graham Parry
District Governor 2002-2003
District 3310

Message from **Kho Ping** Incoming President 2002/2003

It is indeed a great honour to be chosen as the 17th President of this distinguished organization. The Rotary club of Kuching central was chartered on the 23rd December, 1986 with President Chua Teck Kheng as the 1st president. Over the years, it has completed numerous worthy projects for the communities not only in Kuching but throughout the country.

My job for this coming year has been made easier, thanks largely to our Immediate Past President, Rotarian Sim Cho Pong. He has entrusted me with a club which is progressive, active, cohesive and most important of all fun and enjoyable to be with.

Rotary International President, Bhichai Rattakul believes that we can change the world, one life at a time. He said, "No project is too small or insignificant, especially to those it benefits". This year Rotary international theme, "sow the seeds of love" is based on the belief that meaningful service must come from the heart and the greatest reward for doing is the opportunity to do more.

My fellow Rotarians, we have initiated project care in aid of the Sarawak children's Cancer society. This project was launched on the 1st July, 2002 and we hope to raise \$60,000 within three months to meet their immediate needs. I have great confidence that this project will be a success with your effort.

Many members have worked very hard for tonight function especially the organizing committee under Past President Chieng Lee Ching. My deepest appreciation. Finally, to my members and board of directors my gratitude and thanks for your unwavering support.

Kho Ping
President 2002-2003

Message from **Sim Cho Phong** Outgoing President 2001/2002

A year ago, I was looking in anticipation to the year ahead as the Incoming President of the Rotary Club of Kuching Central. A year has gone now and as the outgoing President, I can look back confidently with pride and satisfaction of what my board of Directors have accomplished beyond my expectations and indeed brought the Rotary club of Kuching Central to a greater height.

During my term as President, our club had successfully carried out almost all the projects which were planned for in the different avenues of service of the Club.

These projects have benefited a wide spectrum of our society-reaching out to the under privileged, the sick and the elderly - for **"MANKIND IS OUR BUSINESS"**.

The highlight of our project was the road safety and courtesy campaign which has served as a reminder to the general public the importance of Road Safety and courtesy.

My term has also witnessed the formation and charter of two new clubs-the Rotary Club of Petra Jaya and the Rotaract Club of Swinburne.

In recognition of our club achievement, Rotary International has awarded our club with a RI Presidential Citation. On district level, our Club has also won two District Best Awards namely District Best Bulletin Award and District Best Public Relations Award.

Furthermore, our club was also conferred a special District Award for the Road Safety & Courtesy Campaign. I verily believe that all the aforesaid projects would not have been successfully carried out without the full support and participation of every member of the club.

I am indeed very grateful to my very able Board of Directors for their commitment and time spent for the club. I must sincerely record my appreciation to a few Rotarians, in particular, the Past Presidents who have rendered their full dedication, assistance and unselfish services to the club throughout my term of office as President. Thank you very much for the job well done.

I must also not forget to thank my dear wife, Chun Ken for her unfailing support and encouragement during my year as President of the Rotary Club of Kuching Central.

Finally, I wish the incoming president and his new board of Directors a successful year ahead and all the best for the coming Rotary Year 2002-2003, **"SOW THE SEEDS OF LOVE"**.
