*I*t is indeed a pleasure for me to write a few words in your souvenir magazine in conjunction with the Installation Ceremony of the Rotary Club of Kuching Central. I wish to congratulate the Incoming President, Rotarian Juergen Ertl and his Committee Members for being elected to helm the Rotary Club. I am sure that the new team will further invigorate the Club with new ideas and activities for the benefit of its members and the community.

I also wish to take this opportunity to congratulate the outgoing President, Rotarian Frankie Ong for his leadership qualities and multi-skills in leading the Club to achieve a number of awards including the prestigious Presidential Citation 2010-2011 with Distinctions. I hope that he will continue to play an active role as a Rotarian.

As a Rotarian myself, I am very proud of your achievements and hope that all Rotarians of Rotary Club of Kuching Central will continue to play a positive role to elevate your Club to greater heights. **KALYAN BANERJEE**

*Rotary International President, 2011-2012*

*D*ear Club President and Board of Directors:

It is my pleasure to congratulate each of you on the occasion of your installation.

A year in Rotary office is a special opportunity, one to cherish and make the most of. Because ultimately, we are in Rotary for one simple reason: to change the world. We aspire to live our lives ethically, honestly, with our four-Way Test to guide us. We share goodwill and friendship, and try to see the worth of every human being. We are not interested in the lowest common denominator, for Rotary is anything but common. That is why we work to elevate ourselves and thereby, to elevate the world.

That is why you and I have chosen to share, with Rotary, one of our most valuable possessions: one full year of our lives. We are willing to give this great gift because we believe that it is the best way, the surest way, to be the change we ourselves hope to see – for whether that change is, we can achieve it better when we do it together, through Rotary.

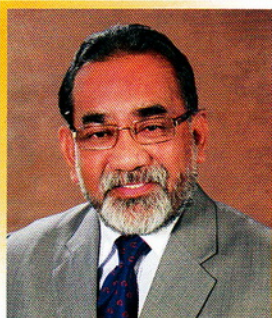

I send my best wishes for a wonderful and productive year of Rotary service.

Sincerely,

**Kalyan Banerjee**

## HAJI ZAINIE ABDUL AUCASA

*District Governor 2011-2012  
Rotary District 3310*

*D*ear Fellow Rotarians,

It is with the greatest pleasure that my wife Kalimah and I congratulate each one of you on the occasion of your Club's 26<sup>th</sup> Installation Dinner.

Rotary to me has always been an organization for visionaries, those who see how things should be and then focus towards making their ideas and dreams become realities. As Rotarians, we transform our ideas and dreams in the context of our community, into reality for all sections of our community regardless of culture, race and creed. Being a Rotarian means we should embrace humanity by extending ourselves in service to others.

"Service Above Self" is the very foundation of our existence. I call upon your incoming President and his officers to achieve this goal with renewed vigor and commitment so that the community we serve, which is plagued with diseases, poverty, illiteracy, lacking of potable water and conflicts can look forward to live a better life.

As we embark on another new Rotary Year 2011-2012, let us, for a moment, search within ourselves and reflect on what our organization has become. Are we happy with its current status or should we be moving in some other direction? Are we evolving fast enough within our community or are we slowly becoming irrelevant? Do we have the courage to embrace change? It is only through this introspective analysis that we can become more responsive to the needs of the community in which we operate. We must not forget that it is the community that dictates the direction of Rotary. We must respond to its needs. Such is the challenge to Rotary in our time.

I would like to congratulate your out-going President Frankie Ong and his team for the many programs they have successfully carried out over the past year.

I look forward to what the coming year will bring under the leadership of your new President Juergen Ertl and his team, as I have great hope in their enthusiasm and diligence to 'Reach Within To Embrace Humanity'.

Kalimah and I are looking forward to sharing and enjoying Rotary with all of you.

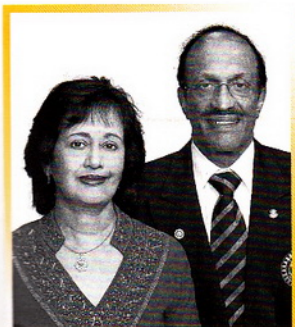

Best wishes.

*District Governor, 2010-2011*

*I* thank all the members of the Rotary Club of Kuching Central for inviting me to write this message at the Installation of President Juergen Ertl as the leader of your prestigious Rotary Club. I am sure that you have been nominated because of your commitment to Rotary and to your club in particular.

The Rotary Club of Kuching Central, I can confidently say, is a very effective one. I have had the opportunity, this last Rotary year, to see the intense fellowship you have among your members and their families.

The community service projects that you have done, in the Rotary year that is fast ending, was remarkable. You projected the right image of Rotary in the community. Your club achieved the Presidential Citation with Distinction, with 3 other clubs in our District. I am truly proud of all of you.

Continue to be even more responsive to the needs of your local community and the world. Rotary gives us ample opportunities to do just that and we can truly be proud and privileged to be a Rotarian

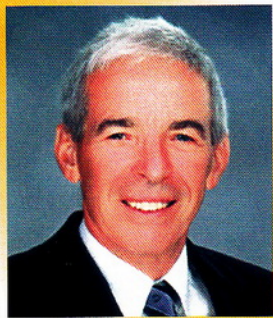

I urge all of you to support your Incoming President in the same way that you have done in the past. Incoming RI President Kalyan Banerjee has challenged us to "Reach Within To Embrace Humanity"

I am sure all of you will and wish you all success in your journey with Rotary.

**JUERGEN ERTL**

*President, 2011-2012*

*M*y Fellow Rotarians ,

I thank you very much from the bottom of my heart for giving me the privilege, honor and trust to lead our esteemed Club for the year 2011/2012. In return I pledge to serve our Club and the Community with enthusiasm and all my energy.

Our newly elected Rotary International President, Kalyan Banerjee asks all of us to "Reach Within to Embrace Humanity". We all want to experience in our lives peace, friendship, love and tolerance. He appeals to us as an individual and as a club member to make these dreams come true by being a good example. Only when we strive ourselves for these values than we will reach it in our families, in our club, in our community and finally on a global scale.

Our club is recognized within the District as a very dynamic and successful club winning every year many prestigious awards within Rotary. The secret of our success is the practice of tolerance, harmony, fellowship and friendship. Our spouses and children are actively participating in our club life and give us all their support. We have many occasions where we come together for fellowship and other activities. Projects are the outflow over our club life.

We are on the right path and all our effort should continue to focus on the values of our family and our club. Let's continue on this track we have embarked so many years ago with so much success.

Our second focus shall be on the service of the community. We can build on a tremendous success in the past with our

- Avoidable Blindness Project
- Support to Children's Cancer Society, Autistic Society and many more
- Support of individuals in need
- Learning Center for Children with learning disabilities
- Disaster Relief Fund Raising
- Support of Orphans Home in Kalimantan and many more.

The things we have learned in these projects we shall apply further for the benefit of the community. So we demonstrate our will for more understanding and more peace.

Our third focus should reflect our will for change. Only continuous and controlled change brings progress to Rotary and our society.

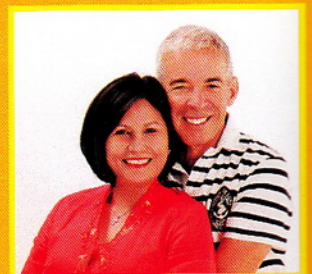

On behalf of The Rotary Club of Kuching Central I wish to express our hearty gratitude to our distinguished Guest of Honor YB Dato' Sri Wong Soon Koh for his continuous support for Rotary.

Special thanks to Organizing Chairman PP Abel Chieng and his committee for all their effort to make this great evening happen. To all our guests, supporters, friends of Rotary I thank you very much for your presence tonight and your tremendous support.

I wish you all peace and happiness in your personal life and in your family.

Yours in Rotary

## FRANKIE ONG

*President, 2010-2011*

*The* past one Rotary Year has been very eventful, enjoyable and certainly the most rewarding. My family and I cherish each & every moment of it.

With the dedication of our committed Rotarians, the strength of our Family of Rotary and the support from Rotary supporters, many worthy projects were successfully implemented in this 'Building Communities, Bridging Continents' Rotary Year. Indeed, we achieved more than what we had planned for.

The accomplishment of the 2 Avoidable Blindness Projects under "Rotary Brings Vision to Sarawak" was the highlight of the year. Beside eyes screenings, a total of 51 cataract & 21 pterygium operations were completed with great success for eye patients from Serian, Betong, Sri Aman, Lundu, Mukah & Pulau Brait.

In recognition of the achievement in all avenues of Service, Rotary International has awarded our Club with RI Presidential Citation with Distinction. Our Club was also bestowed with four Rotary International District 3310 Service Awards.

As my Presidential year winds down, I would like to express my heartfelt appreciations to the tremendous support accorded to me from all our members and their families, the guidance from RI District Governor Dr. K A Abraham & Group 12 Assistant Governor PP Audry Wan Ullok.

I would also like to thank my family, especially my dear wife, Pauline for the encouragement, support & love.

Finally, let us all welcome our Incoming President Juergen Ertl to lead this wonderful Club. I wish him & his Board of Directors a very successful Rotary year in "Reach Within to Embrace Humanity".

Yours In Rotary,

**Frankie Ong**

# Introduction to Rotary International

**Our Theme 2011/2012** REACH WITHIN TO  
EMBRACE HUMANITY

*Rotary International* formed in 1905 is an organization of service clubs known as Rotary Clubs located all over the world. It is a secular organization open to all persons regardless of race, religion, color, creed, gender or political preference. There are more than 33,000 clubs and over 1.2 Million members worldwide. The purpose of the organization is to bring together business and professional leaders to provide humanitarian service, encourage high ethical standards in all vocations, and help to build goodwill and peace in the world. Members usually meet weekly, which is a social event as well as an opportunity to organize work on their service goals.

Rotary best-known motto is :

## **OBJECT**

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

### **FIRST**

The development and acquaintance as an opportunity for service.

### **SECOND**

High ethical standards in business and profession, the recognition of the worthiness of all useful occupation, and the dignifying of each Rotarian's occupation as an opportunity to serve society.

### **THIRD**

The application of the ideal of service in each Rotarian's personal, business, and community life;

### **FOURTH**

The Advancement of international understanding, goodwill and peace through a world of fellowship of business and professional persons united in the ideal of service.

## **AVENUE OF SERVICE**

Based on the Object of Rotary, the avenue of service are Rotary's philosophical cornerstone and the foundation on which club activity is based:

### **CLUB SERVICE**

Focuses on strengthening fellowship and ensuring the effective functioning in the club.

### **VOCATIONAL SERVICE**

Encourages Rotarians to serve others through their vocations and to practice high ethical standards.

### **COMMUNITY SERVICE**

Covers the projects and activities the club undertakes to improve life in its community.

### **INTERNATIONAL SERVICE**

Encompasses actions taken to expand Rotary's humanitarian reach around the globe to promote world understanding and peace.

### **NEW GENERATIONS SERVICE**

Recognizes the positive change implemented by youth and young adults through leadership development activities, service projects and exchange programs.

# The FOUR Way Test

The test, which has been translated in more than 100 languages, ask the following questions of all the things we think, say or do:

1. Is it the **TRUTH** ?
2. Is it **FAIR** to all **concerned** ?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS** ?
4. Will it be **BENEFICIAL** to all concerned ?

## Rotary & Unicef

The greatest example of Rotary's effective collaborations is its flagship programme, Polio Plus, which aims to eradicate polio worldwide. Working with spearheading partners UNICEF, the U.S. Centers of Disease Control and Prevention, and the World Health Organization, Rotary has contributed over US\$600 million and countless volunteer hours to help immunize more than two billion children against the clipping and often fatal disease.

Bills and Melinda Gates Foundation has awarded Rotary USD355 million to support its effort to eradicate polio. In response, Rotary has committed to raise USD200 million by 30th June 2012. As of this month, Rotary has raised about USD130 million.

## Rotary & United Nations

Rotary and United Nations have a long history of working together and sharing similar visions for a more peaceful world.

In 1942, clubs from 21 nations organized a conference in London to develop a vision for advancing education, science and culture after World War II. That event was a precursor to UNESCO. In 1945, 49 Rotarians went to San Francisco to help draft the UN Charter. Rotary and UN have been close partners ever since, a relationship that's apparent through Polio Plus and work with UN agencies.
