## Launching of Public Relations Project in conjunction to District Governor's visit

### Rotary Publicity on Wheels – Winner of the Best Public Relations Project Award Year 2010-2011, Rotary International District 3310

Very often than not, it is not uncommon for members of the public to associate Rotary as Non-Governmental Organization ( NGO ) comprising of rich & wealthy people.

This perception is indeed wrong. Rotary is a gathering of business and professional people who are RICH in Desire, Hearts & Soul to provide humanitarian services, encourage high ethical standard in all vocations, help to build goodwill and promote peace worldwide.

To help correct this misperception, Rotary Club of Kuching Central launched this Rotary Publicity Project - 'Rotary Publicity on wheels' in conjunction with visit by Rotary International District 3310 Governor Dr. K A Abraham.

Graphics which contained images taken from Club's past community projects specifically to help the less fortunate members of the society were installed on both sides of the 2 vans, courtesy of The Khong Guan Group.

As these vans make their ways onto streets and rural area delivering Khong Guan biscuits, the graphics will convey the correct messages to the members of the community about Rotary.

Launching of "Rotary Publicity On Wheels" by DG Dr. K A Abraham & President Frankie Ong
