## ROTARY INTERNATIONAL

*Dear Club President and Board of Directors:*

It is my pleasure to congratulate you on your installation as club officers of 2012–2013.

In Rotary, enthusiasm is contagious. When the club officers are enthusiastic, the members feel it. Their ambition and their motivation grow. They accomplish more, and they set their goals higher. A good club officer challenges the club's members, setting expectations that are both ambitious and realistic. When members see this, they rise to these challenges—and choose to challenge themselves.

I love the word “challenge.” I always say, you won't know until you try. This is true in business, and it is also true in Rotary service. Instead of looking for a reason why you can not do something, look for a way that you can. Don't worry about failure. Focus on success.

Every Rotary office is a challenge. It is a chance to find out what we can do. I hope that in this Rotary year, you will achieve more than you ever imagined—and find Peace through Service.

Yours in Rotary,

*S. Tanaka*  
Sakuji Tanaka  
President, 2012-2013

## Lee Kong Hwee District Governor, 2012–2013 Rotary International District 3310

*Dear Fellow Rotarians,*

When I agreed to be suggested by my club as a candidate for District Governor for Rotary Year 2012-2013, I thought nothing about having to take office then. It was only the end of 2009 and July 2012 seems such a distant future to me.

Well, as the popular saying goes, how time flies. July 2012 is now upon us and a new team both in the Clubs and District has taken office.

For this Rotary Year, the District has assembled a team of very dedicated and competent Rotarians who are fully committed to serve all clubs in the District. The team has a good mix of both new and old faces, granting opportunities for the newcomers to learn from the veterans.

I begin my official club visits in the middle of July and ends in the middle of November. I am eagerly looking forward to seeing every one of you during my visits, listening to your club plans for the year and brainstorming with you on how we can take the District to new heights. Nana and I will also be looking forward to a great time with you during the fellowship; however, we have to watch our weight, so please be modest with the food.

IPDG Haji Zainie Abd Aucasa and his team have done an excellent job in energizing clubs and Rotarians. The District saw membership growth of more than 10% in one single year, no small feat for our District which has always viewed membership growth as its biggest challenge. I want to urge all of you to continue to step on the accelerator, do not let the momentum slow down. We are targeting membership strength of 2,500 in three years' time. Can we achieve it? Can the pace be sustained? Yes! We can and we will.

While we work hard on recruiting new members to grow our membership, I want to remind you not to forget about membership retention. Foster a harmonious relationship in your club, look at undertaking meaningful and credible projects where every member can contribute; and most important of all, have frequent fellowship and get together events to promote better bonding among club members.

I wish all of you a very enjoyable and fruitful Rotary Year ahead; together let's bring "Peace Through Service".

Best Regards,

Lee Kong Hwee  
District Governor 2012-2013

**Haji Zainie Abdul Aucasa  
District Governor, 2011–2012  
Rotary International District 3310**

*My Fellow Rotarians,*

26 years ago on the 23rd December, 1986 your charter members felt that the Rotary's ideal of service to the community was worthy and credible, and for this reason your club was formed.

Over such period, your club has zealously served the community through its various humanitarian projects and outreach programs.

The community you have served are indeed very proud and appreciative of your achievements, which speak well of your dedication to service.

On behalf of Rotary International and of Rotary District 3310, I wish to congratulate you on these achievements as you reach 26 years years of service to the community.

I wish to congratulate the out going President Juergen Ertl and his team of dedicated Rotarians for the many projects that they have carried out in the areas of health, hunger and humanity, provided basic health care and carried out literacy and environmental projects. In so doing they have made the difference to the lives of many who have benefited from those projects.

I wish the very best to the new set of officers and directors under the able leadership of your Incoming President Dr. Willie Lau who I believed will continue with the great works that have been carried over the years and will lead your club with renewed commitment and passion to greater heights.

I wish each and every one of you every success as you carry on with your tradition and passion for service to the community for many years to come.

With best regards.

**Hj. Zainie Abdul Aucasa  
District Governor  
2011-2012**

## Dr Willie Lau Lik Wei Incoming President 2012 - 2013 Rotary Club of Kuching Central

*Dear Rotarians, spouses and friends,*

It is a great privilege and challenge to be the 27th president of this dynamic and effective club.

My sincere and heartiest appreciation goes out to our patron YB Dato Sri Wong Soon Koh for his continuous support, to all the past presidents and the dedicated Rotarians and spouses who make this club what it is today, and to all the friends of Rotary and sponsors for their continuous trust in us.

From the initial onset, Rotary was built on the philosophy of integrity in business and professions.

Rotary clubs and individual Rotarians are committed to vocational service and the highest ethical standards in all their interactions and actions. These are summed up in the object of Rotary, our core values:- service, fellowship, diversity, integrity and leadership, the 4-way test and the Rotary code of conduct.

This year's theme is 'PEACE THROUGH SERVICE' and the current Rotary International President is Sakuji Tanaka. Sakuji believes that Rotary and Rotarians can define peace by what it is and by what it can be. Peace can mean a sense of happiness; of inner calm. It can also mean security, confidence in the future, a life and a home in a stable society.

Peace has different meanings for different people. Rotary helps to achieve it by resolving conflict; be it disease, illiteracy, hunger, poverty and scarce environment.

Peace in all the ways that we can understand it is a real goal and a realistic goal.

Rotary is a worldwide, great network of inspired individuals who translate their passion into relevant social causes to change communities and to change the world.

In our club and our district, we work to bring health, safety and dignity to communities:- local and worldwide. Together we foster the spirit of sharing friends, goodwill and choosing peace. Let us all think and act for our children, grandchildren and about the legacy we are building.

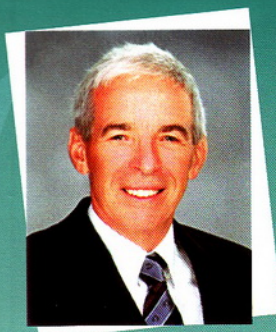

Thank You.

Peace be with You.

**Dr. Willie Lau Lik Wei**  
President 2012-2013

## Juergen Ertl Outgoing President 2011-2012 Rotary Club of Kuching Central

*My Fellow Rotarians,*

The past year has been for me personally and my spouse Lauren a very enjoyable, exciting and rewarding time. It was a privilege to steward this wonderful and prestigious Club of Kuching Central. I thank all the members for their great support, wonderful fellowship and patience.

Our club and their members have completed a very dynamic and successful Rotary year. With the dedication, commitment and the will to excel you have brought our club to new heights.

The strength of practicing "Family in Rotary" at such high levels was the foundation of many successful projects. Therefore, I also thank our spouses for their great support and kind understanding.

Our focus on Fellowship, Community Service, Rotary Foundation and New Generations led to excellent project results and high admiration and recognition within Rotary Organization and also in the community.

**At Rotary District Level:**

Our Club has been honored with the Awards as "Outstanding Club" and as "Outstanding President". For the projects we completed our District Governor Zainie and his committee had awarded our club with 5 Gold, 2 Bronze and 1 Merit Award. As well Rotary International recognized us with the "Presidential Citation". The local press took notice of our accomplishment in the English, Chinese and Bahasa Newspapers.

For the coming Rotary Year we have laid the foundation for another successful year. Our club constitution has been changed to today's needs, solutions have been implemented to continue our signature project of "Rotary brings Vision to Sarawak" and other projects have been successfully planned for execution in the year to come.

As my year as a President comes to an end, I would like to extend my sincere Thank You to the club members for their tremendous support and dedication, all the spouses for their commitment to support through participation and understanding.

A Special Thank You to District Governor Zainie for his motivation and guidance and Assistant Governor PP Dr. Leonard Ng for his support.

Finally I would like to welcome incoming President Dr. Willie Lau to lead this marvelous Club. I wish him and his family, the Board of Directors and all the Club members a very enjoyable and successful Rotary Year 2012/2013

Yours in Rotary  
Juergen Ertl

# Introduction to Rotary International

## 2012-13 Theme - PEACE THROUGH SERVICE

Rotary International formed in 1905 is an organization of service clubs known as Rotary Clubs located all over the world. It is a secular organization open to all persons regardless of race, religion, colour, creed, gender or political preference. The purpose of the organization is to bring together business and professional leaders to provide humanitarian service, encourage high ethical standards in all vocations, and help to build goodwill and peace in the world. Members usually meet weekly, which is a social event as well as an opportunity to organize work on their service goals.

### GUIDING PRINCIPLES

#### The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

#### Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the Avenues of Service, which form the foundation of club activity.

- **Club Service** focuses on strengthening fellowship and ensuring the effective functioning of the club.
- **Vocational Service** encourages Rotarians to serve others through their vocations and to practice high ethical standards. Observed each October, Vocational Service Month spotlights Rotary club projects related to this avenue, offering opportunity for clubs and districts to use their professional skills in service projects.
- **Community Service** covers the projects and activities the club undertakes to improve life in its community.
- **International Service** encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace. Rotarians can support International Service by sponsoring a project in another country, seeking international project partners to support projects in their own communities, or by personally volunteering at an international project site. Visit the ProjectLINK database to post a project in need of assistance, find projects to support, or learn about successfully completed projects to replicate.
- **New Generations Service** recognizes the positive change implemented by youth and young adults through leadership development activities such as RYLA, Rotaract and Interact, service projects, and creating international understanding with Rotary Youth Exchange.

#### The Four-Way Test

The test, which has been translated into more than 100 languages, asks the following questions: Of the things we think, say or do

- Is it the TRUTH?
- Will it build GOODWILL and BETTER FRIENDSHIPS?
- Is it FAIR to all concerned?
- Will it be BENEFICIAL to all concerned?

## Core Essence

A worldwide network of inspired individuals who translate their passions into relevant social causes to change lives in communities.

## Mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

## Vision

The vision of Rotary International is to be the service organization of choice with dynamic, action-oriented clubs whose contributions improve lives in communities worldwide.

## RI Strategic Plan

- Support and strengthen clubs
- Focus and increase humanitarian service
- Enhance public image and awareness

## Core Values

Rotary International's core values are service, fellowship, diversity, integrity, and leadership.

## Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community with regard to professional and business classification, gender, age, religion, and ethnicity is a club with the key to its future.

## FAMILY OF ROTARY

### At a Glance

## Rotary & United Nations

Rotary and United Nations have a long history of working together and sharing similar visions for a more peaceful world.

In 1942, clubs from 21 nations organized a conference in London to develop a vision for advancing education, science and culture after World War II. That event was a precursor to UNESCO. In 1945, 49 Rotarians went to San Francisco to help draft the UN Charter. Rotary and UN have been close partners ever since, a relationship that's apparent through Polio Plus and work with UN agencies.

## Rotary & Unicef:

### Polio Plus - Where are we Today

The greatest example of Rotary's effective collaborations is its flagship programme, Polio Plus, where aims to eradicate polio worldwide. Working with spearheading partners UNICEF, the US Centers of Disease Control & Prevention, and WHO, Rotary has contributed over US\$600 million and countless volunteer hours to help immunize more than two billion children against the crippling and often fatal disease.

Bills & Melinda Gates Foundation has awarded Rotary USD355 million to support its effort to eradicate polio. In response, Rotary has committed to raise USD200 million by 30th June 2012. This target has been met.

Through the work of the Global Polio Eradication Initiative more than 5 million people, who would have been otherwise paralyzed, are walking because they have been immunized against polio, and more than 500,000 cases of polio are prevented each year due to the efforts of governments and the GPEI partnership. Transmission of the poliovirus has been stopped in all but four countries - Afghanistan, India, Nigeria and Pakistan - and the virus is being contained within increasingly smaller geographical areas within those countries.

Besides raising funds our Club participated at the End Polio Trans-Sabah Walk and climb over 320 km. The funds raised where a significant contribution to our District 3310 accomplishment of USD 100,000.
