Ian H.S. Riseley
President, 2017-18
T +1-847-866-3467
F +1-847-866-3390
ian.riseley@rotary.org

Dear Rotarian Benjamin,

Congratulations on your installation to the office of 2017-18 club president.

There can be no Rotary without the more than 35,000 clubs that are dedicated to enhancing communities and improving lives right around the globe. What makes each club successful is the strong and inspiring team that leads it. You are now a part of that team, which will help strengthen your club by welcoming new and engaged members, and planning service projects that will have the most impact. Your club has already done so much for so many; as a club officer, you can help your club do even more.

There's a lot to look forward to during this coming year and I know that by working together, we will achieve great things as we continue to serve local and global communities through *Rotary: Making A Difference*. Congratulations again on your new position.

Sincerely,

Ian H.S. Riseley
President, Rotary International 2017-18

ROTARY:
MAKING A
DIFFERENCE

MICHAEL YEE YIK FAH

District Governor 2016-17

This is a time when clubs around the district will celebrate their annual installation dinners. This gives me an opportunity to share with you some reflections on giving since Rotary is about service to the less fortunate, the underprivileged, the sick, the hungry, and the suffering people around us. Many Rotarians live comfortable lives in marked contrast to the people whom we render service. Are we able and are we willing to offer ourselves in service to these people even more than we have always been?

You may ask: how could we give more? My answer to you would be: do you have a generosity plan? In other words, are you a philanthropist? Don't be taken aback by this seemingly forbidding word, apparently reserved for extremely wealthy people like Bill Gates and Warren Buffett. Philanthropy in its original Greek simply means "love of humankind." A common dictionary definition is "the practice of giving money and time to help make life better for other people."

So, that's it. Philanthropy is an egalitarian term and a philanthropist can be from the rich or from the masses. And philanthropy involves not only the giving of money but also the giving of time and talent—to help make life better for other people. All it asks of you is to act in the interest of others, to render help whenever needed, to mentor others, or simply to share credit where it's due.

The generosity plan asks that all Rotarians give something of their time, talent, and treasure. We can give as much as we can but all that is asked of you is affordable giving—not giving till it hurts, but giving that creates value and transforms the lives of the people we serve.

There is a time to give and a time to receive. The generosity plan allows you to give and receive in equal measure since most of life isn't a zero-sum game. When we give of our time, talent, and treasure, we reap the rewards of seeing the joy of families we've helped and bask in the light of the radiant faces of people we've touched. The act of generosity nourishes and blesses both giver and receiver.

What are you doing today that can make a difference to the world? It's impossible for a single person to solve all the world's problems but you can make a difference to the life of that person or family whom you've given this "love of humankind." The giver label is not just for those larger-than-life heroes such as Mother Teresa or Mahatma Gandhi, but is also for common folks like you and me.

Are you content just to be a spectator and let the world pass by with inaction? Or are you willing to step forward and become an actor, and make a difference to the world? As Rotarians and as leaders, we've been given a unique opportunity—to change people's lives, to create lasting value through service, to live and give generously for the "love of humankind."

In the second century of The Rotary Foundation, let all Rotarians become philanthropists—doing good in the world and generously giving to those in need. Your giving will spread and cascade to other Rotary clubs and Rotarians, generating a ripple effect that will make an even greater difference to the world. Let us stay connected to whatever cause we're pursuing, doing all we can, each according to his or her abilities—and help shape a better world.

Michael Yee

ROTARY
MAKING A
DIFFERENCE

DATUK LEE CHUEN WAN

District Governor 2017-18

I wish to congratulate President Benjamin Lo and your Board of Directors on your installation tonight to serve in the Rotary year 2017-18.

Naomi and myself are grateful and indeed very honoured to have been invited by your club to attend this Installation Night Dinner.

All of you have been elected by your club members to continue carrying out the good work of your club over the years. President Ben, a young and energetic Rotarian has gone through the Pre-PETS and PETS training, and is ready to lead your club to greater heights with your full support.

The last Rotary year has been a year where Rotarians have been encouraged to "Serve Humanity". This year, RI President Ian Riseley has chosen the theme "Rotary: Making A Difference".

The Rotary Club of Kuching Central is a very active and vibrant club over the years where Rotarians have been working together to serve humanity in need and making a difference in their lives by bringing much needed medical aids, cataract operations, solar and clean water amongst others to the rural communities as well as in the urban centres, especially schools.

RI President Ian wants his District Governors to support and strengthen clubs through further membership growth with more female members in particular, to focus and increase humanitarian service which your club is already a champion of, and to enhance Rotary's public image and awareness, where most of your service projects and activities are reported in the local news media throughout the year. I have no doubt Kuching Central Rotarians will be able to carry out these goals without much difficulty and achieve the Presidential citation.

Besides, I hope your club members will continue to support and contribute generously to the Rotary Foundation as your AG Dato Thomas Ngu is the Annual Fund and Endowment Chair for the Rotary year.

Your club has successfully carried out service projects with the aid of the DDF and Global Grant in the past. This year, a big scale eye screening and cataract operation will be carried through a Global Grant in Sarawak spearheaded by your club. This will further boost the Rotary image and awareness in Sarawak.

I personally see a great potential for the growth of more Rotary clubs in Sarawak with more lady Rotarians if our Rotarians set it as their goals to achieve this challenge. If we have more members, we can plan and carry out more service projects for the benefit of your communities in need, thereby making a difference to their lives.

Let us all work towards this goal in this Rotary year and in the years ahead.

Datuk Lee Chuen Wan JP
District Governor 2017-18
Rotary District 3310
Singapore, Parts of Malaysia, Brunei Darussalam

CLARENCE YONG

Outgoing Club President 2016-17

The time has come for my final outgoing remarks. It has been a fun, active and certainly a rewarding year. I am proud to have been given the opportunity to lead the club and serve as your 31st president. We have made a difference in the lives of many people this year by putting "Service above Self" in serving Humanity. Thank you to my board of directors, all members, and spouses for your tireless service, contribution and dedication throughout the year.

We have enjoyed a continuum of excellent, varied programmes and engaged in a broad variety of endeavours with more to come. Our Club was able to undertake many meaningful projects with the support of our Members, our Sister clubs, our Partner clubs, and assistance from friends and supporters of RCKC. Some of these projects are:

a) 'Rotary Brings Vision to Sarawak', a preventable blindness signature project with 190 successful cataract operations carried out in Serian, Sri Aman, Betong, Saratok, Simunjan, and Lundu for the low income group, in collaboration with the Klinik Katarak 1 Malaysia, CIMB Foundation and iM Sarawak. The Eye Screening and Eye Care Campaign was also jointly organised with the Majlis Bandaraya Kuching Selatan and Sarawak General Hospital at the MBKS Stutong Market with the objectives to reduce incidence and prevention of blindness especially among children and elderly folks.

b) 'Program Back to School #1' was successfully carried out where 802 students from lower income families from 18 schools in Kuching and Sarikei Division were provided with school uniforms, shoes, bags, and stationery. The project was fully funded by the Yayasan Sime Darby. In addition, 'Program Back to School #2' was carried out to benefit 200 students of SMK Pending, Kuching. This project was made possible by the Rotary Charity Run Fund in collaboration with the Rotary Club of Penang.

c) 'Gift of Light' Project - Provided solar panel lighting sets for 100 households in Sarikei and Bintulu division, and 65 Penan households in Long Belok, in collaboration with several other Rotary Clubs. This project gives positive impact on education of the children, by providing school-aged children with reading light to study longer hours and spend more time with parents and siblings on educational activities. By using the Solar powered LED lighting, it increases safety from the elimination of accidental fires caused by kerosene lamps.

d) 'SMK Bandar Kuching No 1 Toilet Upgrading Project' - This project was funded by LDS Charities, and all tiles were sponsored by Kimgres Marketing S/B.

e) Charity Sale - total amount raised was RM10,000 for 4 NGOs.

f) Fund Raising through RCKC Annual Charity Bowling Tournament - to give food aid to the Urban Hardcore poor, Raya Food Aid during Bulan Ramadan and CNY Gift to old folks at the Sarawak Hun Nain Siang Tng.

g) Rotary Charity Run 2017 - Despite the fact that this was the first time our club organised a charity run, it attracted 3050 registered participants, who came from many diverse backgrounds and multiple generations. Registration was done and paid ONLINE via the Club Website. The run also attracted many Rotarians to join from other clubs in our district, and clubs from other districts as well. The run has raised a total of RM210,000 in cash and benefits in kind. We are now able to purchase additional IOLs to benefit more deserving patients, and to conduct Awareness programmes to the rural people about the importance of eye care. Besides this prevention of blindness project, we are able to use the fund to give clean water supply, solar energy and student assistance to the lower income group in Sarawak.

ROTARY:
MAKING A
DIFFERENCE

Through this successful project of the 2017 Rotary Charity Run, we have earned the prestigious Significant Achievement Award from Rotary International President John F. Germ. DG Michael Yee surprised us early in the morning of 31 May 2017 with his email announcement that the only Significant Achievement Award for the year in the district had been awarded to our club. Our hard work and dedication has paid off and will continue to be part of our evolving club. It takes the ENTIRE club to accomplish this. Special thanks to DG Michael for nominating us for this award. Without your support and encouragement, our success wouldn't have been possible.

I am also pleased to state that RCKC was recognised as having achieved the Rotary International Presidential Citation. The Presidential Citation recognizes Rotary clubs for achieving an array of accomplishments that help the club become stronger, deliver more effective service, and enhance our public image. In addition to the distinguished RI Citation, at the district level, yours truly was awarded as All-Star President 2016-17. Our club also received the Gold award for Best Project with Public Relations Content for the Rotary Charity Run 2017. Silver awards were also presented to our club for Best Family of Rotary, and Best Public Relations Project respectively, while Rotarian Andrea Chan was the recipient of the Bronze award for the Most Outstanding Young Rotarian. For his leadership, Past President Ng Yaw Hua was honoured with the Club Builder Award by Rotary International, which was presented by RI President John F. Germ during the Multi Districts Conference in Bangkok recently. We should all be proud of these achievements.

Club members continue to contribute generously to The Rotary Foundation with total Annual Fund giving of USD 8,418 and PolioPlus Fund of USD 2,851 in 2016-17. PP Dr. Leonard Ng joined the ranks of Major Donors. We have to date 8 Major Donors in our club with 5 Paul Harris Society members for sustained giving, and 5 members as a Benefactor to The Rotary Foundation Permanent Fund. RCKC is proud to be a 100% Paul Harris Fellow Club.

We are delighted to highlight that all of our Interact sponsored clubs and both Rotaract Clubs have achieved the RI Presidential Citation. All the credit goes to our Rotarians Advisers and Teacher/Lecturer Advisers for their understanding, shared vision, hard work, and dedication.

I wish to express my sincere gratitude to our distinguished Guest of Honour YB Datuk Professor Dr. Sim Kui Hian for gracing our installation dinner.

I am grateful to my sponsor, PDG Haji Andre Suharto for introducing me to Rotary. He was a mentor to me and contributed in many ways to my success efforts during my Rotary journey.

A special word of thanks goes to my Assistant Governor Leslie Phuan for his guidance and priceless advice. Thank you to the Installation Committee headed by Incoming President Elect Jong Kiam Ngee and his committee members for their efforts to make tonight's installation dinner a success.

I would like to extend my sincere gratitude and appreciation to all the Past Presidents, advisors, board of directors, chairs and sponsors for their guidance, enthusiasm, and support.

Finally, it is to my dearest wife Charmain and my family, thank you for your continuous support and understanding during my term.

In closing, I feel we truly lived up to our theme 'Rotary Serving Humanity'. I have enjoyed every single minute of it; I hope you have too. I would like to congratulate and extend my good wishes to the young and able Incoming President Benjamin Lo and his board of directors, may they reach even greater heights of success.

Clarence Yong
President 2016-17
Rotary Club of Kuching Central

ROTARY:
MAKING A
DIFFERENCE

BENJAMIN LO

Incoming Club President 2017-18

Greetings to my fellow Rotarians, Spouses, and Friends.

When I was first introduced to Rotary Club of Kuching Central by PP Leslie Phuan in the year 2012, I felt very small. I was a doe-eyed young chap who had never seen a brotherhood such as this. I felt welcomed and accepted immediately. It was your confidence, candour, and good faith that fascinated me in the beginning. I never thought there would be an organization such as Rotary, where members come together to do genuine good work to make a difference in the community we live in.

While I am extremely honoured to be handed the reins to this distinguished club, I am also deeply humbled by this appointment. It is not a position and an appointment that I take lightly.

The on-going programmes such as the Rotary Brings Vision Project, and the Rotary Charity Run will be reinforced this year with more corporate sponsors and participants so that we could reach out to more people who could benefit from our Avoidable Blindness and Cataract Project.

As your new President, I also hope to move us in line with this year's presidential theme: Making a Difference. As the Rotary International President Ian H.S. Riseley has said, protecting the environment and curbing climate change are essential to Rotary's goal of sustainable service. There is no threat to the environment that is greater than human behaviour. Our environmental sustainability starts with us, and we can do more together to impact the world.

That is why the Rotary Club of Kuching Central will be undertaking an environmental project this year to make a difference, starting from the community we are living in. It may be one step at a time, but together we can achieve more. I appeal to all our members to join in on this drive for environmental sustainability.

Last but not least, I wish to address an issue that I hope will be eradicated in the near future. Officially, Rotary's Council on Legislation permanently ended Rotary's status as a men-only organization in year 1989. 28 years on, we have more than 35,000 clubs in the world, and only 22% of our members are women. Hence, it is one of my goals this year to attract and engage a more diversified membership. We also need to start bringing in younger members, and appeal to them with the ways of a Rotarian. In a nutshell, we need men and women from all backgrounds, ages and professions. The better our club reflects our community, the better we can serve.

I know in my heart that this year is going to be incredible and it will be a year of growth, for both myself and the Club that I now represent. I look forward to your support and encouragement in this journey. I have faith in Rotary, and in Rotarians. We will be Making a Difference to make our world a better place because of Rotary Serving Humanity.

Benjamin Lo
President 2017-18
Rotary Club of Kuching Central

ROTARY
MAKING A
DIFFERENCE

JONG KIAM NGEE

Organizing Chairman

Dear Rotarians, Spouses, Guests, Ladies and Gentlemen,

It is an honour to be the organising chairman for Rotary Club of Kuching Central's 32nd installation dinner.

On behalf of the organising committee, let me begin by extending a warm welcome to all who have come from near and far to attend tonight's event. I do hope you will take time to enjoy fascinating Kuching with its tropical setting, friendly people, and multi-cultural cuisine.

Congratulations to our outgoing president Clarence Yong and his BOD for their excellent achievements and fruitful year of 2016-17. Welcome to our incoming president Benjamin Lo and his BOD, we look forward for your dedication and commitment for the year 2017-18.

We are delighted to have YB Senator Datuk Professor Dr. Sim Kui Hian, Minister of Local Government and Housing as our Guest of Honour, your presence has made this event more meaningful.

We are also honoured to have our District Governor Datuk Lee Chuen Wan with us tonight to witness our Installation and to inspire us.

Special thanks go to our sister clubs, namely RC Talpei Golden Eagle from RI District 3480, RC Bandung from District 3410, RC Tanjung Bungah from RI District 3300, RC Queenstown, and RC Bandar Seri Begawan from RI District 3310 for attending our installation tonight. Thank you also to our Friendship Club, RC Novena which is represented here tonight. Our sincerest appreciation to all Rotarians from the various clubs who have taken time out to join us.

I would like to take this opportunity to thank all the advertisers and sponsors. With your strong support and participation, our club can continue to serve our community even better.

Last but not least, I would like to express my gratitude to our installation committee members for their hard work to make tonight's event a success.

Jong Kiam Ngee
Organizing Chairman

ROTARY:
MAKING A
DIFFERENCE

YB SENATOR DATUK PROFESSOR DR. SIM KUI HIAN

Guest of Honour

It is a pleasure and privilege for me to write this brief message for this souvenir programme commemorating the installation of the 32nd President of the Rotary Club of Kuching Central.

My congratulations to the Outgoing President Clarence Yong and his Board of Directors for making their Rotary Year of 'Serving Humanity' a successful one. Congratulations for being awarded the prestigious Rotary International Significant Achievement Award as well.

Every Rotary club has its own special personality and strength; each one finds its own unique ways to serve mankind. When your Rotary club helps a community, it also gains a caring heart: a group of caring and committed men and women who come together to make our community a better place to live in. I am sure that Kuching has benefited greatly from your club's service over the last 30 years. I send you my congratulations on reaching this important milestone, and my best wishes for a new Rotary year of 'Making a Difference'.

With that in mind, I am very confident the Incoming President Benjamin Lo and his Board of Directors would be able to make a difference by doing more community and environmental oriented services in the area they serve, especially to continue providing free cataract surgeries for the less fortunate patients.

I will try to support more local groups and clubs like yourselves and I commend all of you for the work done for our community, which is amazing, and it's great to hear what you have achieved. Do carry on with all the great work you do.

I wish your installation night the success it deserves and my best wishes to all.

YB Senator Datuk Professor Dr. Sim Kui Hian
Minister of Local Government and Housing, Sarawak

INTRODUCTION TO ROTARY INTERNATIONAL 2017-18 THEME - 'ROTARY: MAKING A DIFFERENCE'

ROTARY:
MAKING A
DIFFERENCE

Rotary International formed in 1905 is an organization of service clubs known as Rotary Clubs located all over the world. It is a secular organization open to all persons regardless of race, religion, colour, creed, gender or political preference.

The purpose of the organization is to bring together business and professional leaders to provide humanitarian service, encourage high ethical standards in all vocations, and help to build goodwill and peace in the world. Members usually meet weekly, which is a social event as well as an opportunity to organize work on their service goals.

GUIDING PRINCIPLES

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Avenues of Service

For years, Rotary's commitment to Service Above Self has been channeled through the Avenues of Service, which form the foundation of club activity.

- **Club Service** focuses on strengthening fellowship and ensuring the effective functioning of the club.
- **Vocational Service** encourages Rotarians to serve others through their vocations and to practice high ethical standards. Observed each October, Vocational Service Month spotlights Rotary club projects related to this avenue, offering opportunity for clubs and districts to use their professional skills in service projects.
- **Community Service** covers the projects and activities the club undertakes to improve life in its community.
- **International Service** encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace. Rotarians can support International Service by sponsoring a project in another country, seeking international project partners to support projects in their own communities, or by personally volunteering at an international project site. Visit the ProjectLINK database to post a project in need of assistance, find projects to support, or learn about successfully completed projects to replicate.
- **Youth Service** recognizes the positive change implemented by youth and young adults through leadership development activities such as RYLA, Rotaract and Interact, service projects, and creating international understanding with Rotary Youth Exchange.

THE 4-WAY TEST

The test, which has been translated into more than 100 languages, asks the following questions: Of the things we think, say or do

- | | |
|--------------------------------|--|
| • Is it the TRUTH? | • Will it build GOODWILL and BETTER FRIENDSHIPS? |
| • Is it FAIR to all concerned? | • Will it be BENEFICIAL to all concerned? |

Core Essence

A worldwide network of inspired individuals who translate their passions into relevant social causes to change lives in communities.

Mission

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

Vision

The vision of Rotary International is to be the service organization of choice with dynamic, action-oriented clubs whose contributions improve lives in communities worldwide.

RI Strategic Plan

- Support and strengthen clubs
- Focus and increase humanitarian service
- Enhance public image and awareness

Core Values

Rotary International's core values are service, fellowship, diversity, integrity, and leadership.

Diversity and Rotary

Rotary International recognizes the value of diversity within individual clubs. Rotary encourages clubs to assess those in their communities who are eligible for membership, under existing membership guidelines, and to endeavor to include the appropriate range of individuals in their clubs. A club that reflects its community with regard to professional and business classification, gender, age, religion, and ethnicity is a club with the key to its future.

FAMILY OF ROTARY

At a Glance

The family of Rotary extends beyond individual Rotarians and Rotary clubs to include other service-minded people who help with the organization's work. Groups such as Rotaract, Interact, and Rotary Community Corps serve side by side with sponsor clubs, using their diverse skills to improve the quality of life in their communities. Below are some of the latest statistics available.

Rotary

- Members: 1,227,217
- Clubs: 35,263
- Districts: 542

Interact (12-18 years old)

- Members: 468,555*
- Clubs: 20,372 in 159 countries*

Rotaract (18-30 years old)

Rotary & United Nations

Rotary and United Nations have a long history of working together and sharing similar visions for a more peaceful world.

In 1942, clubs from 21 nations organized a conference in London to develop a vision for advancing education, science and culture after World War II. That event was a precursor to UNESCO. In 1945, 49 Rotarians went to San Francisco to help draft the UN Charter. Rotary and UN have been close partners ever since, a relationship that's apparent through Polio Plus and work with UN agencies.

Polio

Polio (poliomyelitis) is a paralyzing and potentially fatal disease that still threatens children in some parts of the world. The poliovirus invades the nervous system and can cause total paralysis in a matter of hours. It can strike at any age but mainly affects children under five. Polio is incurable, but completely vaccine-preventable.

PolioPlus

In 1985, Rotary launched its PolioPlus program, the first initiative to tackle global polio eradication through the mass vaccination of children. Rotary has contributed more than \$1.5 billion and countless volunteer hours to immunize more than 2.5 billion children in 122 countries. In addition, Rotary's advocacy efforts have played a role in decisions by donor governments to contribute more than \$9 billion to the effort.

Global Polio Eradication Initiative

The Global Polio Eradication Initiative, formed in 1988, is a public-private partnership that includes Rotary, the World Health Organization, the U.S. Centers for Disease Control and Prevention, UNICEF, the Bill & Melinda Gates Foundation, and governments of the world. Rotary's focus is advocacy, fundraising, volunteer recruitment and awareness-building.

Polio Today

According to global polio surveillance data from March 9, 2016, 5 wild poliovirus cases were reported in Pakistan and 1 wild poliovirus case was reported in Afghanistan in 2016. In 2015, 74 cases of wild poliovirus were reported: 54 from Pakistan and 20 from Afghanistan.

Challenges

The polio cases represented by the remaining one percent are the most difficult to prevent, due to factors including geographical isolation, poor public infrastructure, armed conflict and cultural barriers. Until polio is eradicated, all countries remain at risk of outbreaks.

Ensuring Success

Every dollar Rotary commits to polio eradication will be matched two-to-one by the Bill & Melinda Gates Foundation up to \$25 million a year through 2018. These funds help to provide much-needed operational support, medical personnel, laboratory equipment, and educational materials for health workers and parents. Governments, corporations and private individuals all play a crucial role in funding.

Rotary in Action

More than one million Rotary members have donated their time and personal resources to end polio. Every year, hundreds of Rotary members work side-by-side with health workers to vaccinate children in polio-affected countries. Rotarians work with UNICEF and other partners to prepare and distribute mass communication tools to reach people in areas isolated by conflict, geography, or poverty. Rotary members also recruit fellow volunteers, assist with transporting the vaccine, and provide other logistical support.

'This Close' Campaign

Rotary has a growing roster of public figures and celebrities participating in its 'This Close' public awareness campaign, including Bill Gates, co-chair of the Bill & Melinda Gates Foundation; actresses Kristen Bell and Archie Panjabi; WWE superstar John Cena; supermodel Isabella Fontana; Nobel Peace Prize laureate Archbishop Emeritus Desmond Tutu; action movie star Jackie Chan; boxing great Manny Pacquiao; pop star P!nk; golf legend Jack Nicklaus; conservationist Jane Goodall; premier violinist Itzhak Perlman; Grammy Award winners A.R. Rahman, Angelique Kidjo and Ziggy Marley; and peace advocate Queen Noor of Jordan. These ambassadors help educate the public about polio through public service announcements, social media and public appearances.

Polio still cripples thousands of children
around the world. With your help, we can wipe
this disease off the face of the earth forever.
Visit rotary.org/endpolio to help.

END POLIO NOW

Rotary

We Are This Close to Ending Polio.

Jackie Chan

HELP ROTARY WIN THE FIGHT AGAINST POLIO

Rotarians have been fighting to eradicate polio for more than 20 years, and we are this close to achieving our top priority. Now is the time to act, to join this historic effort, and to help us

CROSS THE FINISH LINE

HERE'S WHAT YOU CAN DO

TOP 5 REASONS TO ERADICATE POLIO

- 1. THE HUMAN COST:** If we choose to control polio rather than eradicate it, polio could rebound to 30 million cases in the next 40 years.
- 2. IT'S ACHIEVABLE:** We have the tools to stop polio and the means to reach all children. The new trivalent vaccine successfully targets the two remaining strains of polio in one dose.
- 3. IT'S A GOOD INVESTMENT:** An independent study published in the medical journal *Vaccine* estimates the \$9 billion global investment in a polio-free world will net an economic benefit of \$40 to 50 billion over the next 20 years.
- 4. IT STRENGTHENS THE SYSTEM:** Our polio eradication efforts have established an active disease surveillance network in all countries that is being used for other health interventions such as measles vaccinations, deworming tablets, and mosquito bed nets.
- 5. IT SETS THE STAGE:** The ability to reach all children with the polio vaccine is proof of concept that we can succeed on our next major global health initiative.

Major Gifts, Major Impact

Rotary International meets vital needs

Rotary International  The Rotary Foundation

Through the generosity of people like you, Rotary funds sustainable projects that help communities throughout the world address their greatest challenges. Rotary projects yield both immediate and long-term benefits, while multiplying the impact of each gift, strengthening communities, and building world understanding and peace.

Rotary supports projects in six areas of focus:

Peace and conflict prevention/resolution

Disease prevention and treatment

Water and sanitation

Maternal and child health

Basic education and literacy

Economic and community development

Rotary's top priority remains the eradication of polio. Through PolioPlus, Rotary is a leading partner in the Global Polio Eradication Initiative, along with the World Health Organization, UNICEF, the U.S. Centers for Disease Control and Prevention, and more recently the Bill & Melinda Gates Foundation. Rotary has helped immunize more than 2.5 billion children, mobilized public support, and contributed over US\$1 billion in the effort. Polio cases have dropped 99 percent since 1988 when the GPEI began.

ROTARY INTERNATIONAL AWARDS

(2016-17)

- 2016-17 ROTARY INTERNATIONAL SIGNIFICANT ACHIEVEMENT AWARD

Criteria

The Significant Achievement Award recognizes club projects that have done the following:

- Addressed a significant problem or need in the local community (international service projects, no matter how worthy, are not eligible for this award)
- Involved most or all of the club's members in personal rather than monetary service
- Been commensurate with the size of the club and its available resources
- Enhanced the image of Rotary in the community
- Been able to be emulated by other Rotary clubs
- Been active during the Rotary year for which the award is being given (though it need not have been initiated, and may have been completed, in the current Rotary year)

An officer appointed by the RI president will determine whether nominations meet these criteria.

SIGNIFICANT ACHIEVEMENT AWARD

Project summary and qualifications

Describe the project and how it meets the criteria for this award. The description may not exceed the space provided on this page.

Ophthalmology services are poorly developed in Sarawak compared with other states in Malaysia. Sarawak has only eight ophthalmologists capable of operating independently in the government hospitals. Consequently, many rural people have problems accessing ophthalmic health care. Many of them come from the very low income groups and cannot afford to pay for eye operations. Since 2007-08, the "Rotary Brings Vision" campaigns of Rotary Club of Kuching Central (RCKC) and its partner, CIMB Bank Foundation, have helped alleviate this problem. Prevention of blindness has become our club's signature project. CIMB Bank Foundation, through which CIMB Bank, a Malaysian bank, practices corporate social responsibility (CSR), partners RCKC because of our club's good track record in effective prevention of blindness activities. Since 2007-08 RCKC has received RM355,000 (US\$80,000) funding from the CIMB Bank Foundation, including RM55,000 (US\$12,400) for 2016-17. In nine years, we have performed some 1,000 cataract operations in Kapit, Sibul, Betong, Daro, Mukah, Pulau Bruti, Sri Aman, and Serian in Sarawak.

This year, to make the "Rotary Brings Vision" project more impactful, our club decided to organize the "Rotary Charity Run 2017" (the Run), which was held at CityONE Megamall, Kuching, Sarawak, on 26 February 2017, to celebrate the 112th anniversary of Rotary's Service Above Self and The Rotary Foundation Centennial. Runners had a choice of running 2, 5, or 8 km. We awarded prizes to the top ten runners in the 8 km category.

Although this was the first time RCKC organized a project on such a large scale, the event attracted 3,050 registered runners from diverse backgrounds, multiple generations, and Rotary clubs of all three countries of Rotary District 3310: Singapore, Malaysia, and Brunei, and clubs from other districts. Registration was through our club website. The Run raised a total of RM210,000 (US\$47,250) in cash, besides in-kind donations. We are now able to buy an additional 100 intraocular lens implants to benefit even more needy patients and to conduct prevention of blindness awareness programs to the rural folks of Sarawak, especially on the importance of eye care and eye health. We will also use the funds raised to provide clean water, solar energy, and student assistance programs to poor people in Sarawak.

During the Rotary Charity Run 2017, we set up multiple exhibition booths at CityONE Megamall to showcase the many key projects RCKC has successfully undertaken over the years. Volunteer application forms were distributed to attract businesspeople, professionals, and community leaders to participate in our club's future community projects. This is our public image strategy to introduce Rotary to these volunteers with the objective of attracting them to join our club. We displayed posters from our five Interact and two Rotaract clubs to showcase current and past activities of our young leaders. The exhibition generated intense interest from the public about what our club was doing in Kuching and other parts of Sarawak. The event was given a huge public image boost when Malaysia's Federal Minister, State Minister, Mayor of Kuching City, and our District Governor came together jointly to flag off the Rotary Charity Run 2017.

We set up the organizing committee in September 2016. We had decided at the outset that we would not outsource the organizing work to a professional event organizer. This multi-faceted event drew the full support and involvement of 41 club members, which is 85 percent of our club membership. From December 2016, we did a series of roadshows every weekend at all major shopping malls in Kuching to promote the Run. Our members, spouses, children, Interactors, and Rotaractors gave overwhelming support, especially during the final week when everyone was involved to help pack more than 3,000 race packs with T-shirts and bibs. During the two days designated for the collection of race packs, members, spouses, and volunteers worked from 9 am till 7 pm daily. Some 150 volunteers, many of them Interactors, Rotaractors, and the Family of Rotary, were involved on the day of the Run. Though the work was hard, it was a lot of fun too for everyone. The teamwork was awesome and truly inspiring.

The publicity that brought the Rotary success story to our local and international audiences emanated from the good performance of this Charity Run. The 15 Sarawak Society of Deaf runners made headline news locally. When the organizing committee led by Club President Clarence Yong made a courtesy call on the Federal Minister officially to invite her to flag off the event, this resulted in a front-page story in the local papers. When a local clan-based association registered 618 runners to support the Run, this news was also splashed in the local papers. Our cataract projects recently performed in Serian and Sri Aman were prominently featured in all local papers too. Generating even more publicity for the club, PDG Hj Andre Suharto of RCKC gave a radio interview. We installed a huge LED billboard at the Kuching CBD and used various social media channels to promote the Charity Run, which ultimately turned out spectacularly successful and has now spurred our club members to do even more for our community.

Nominations must be received at RI World Headquarters no later than 15 March.
